Amon G. Carter, Esq., President,
The Fort Worth Star-Telegram,
Fort Worth, Texas

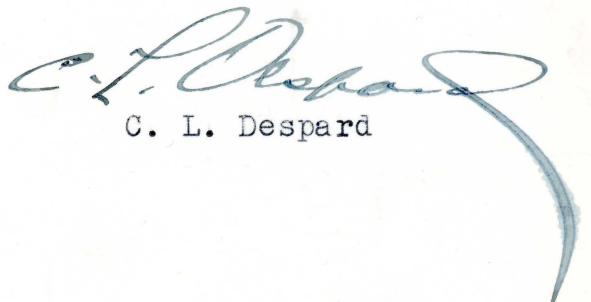

Dear Mr. Carter:

Thank you very much for sending me the clippings from the Fort Worth Star-Telegram giving very welcome news that your son, Lieutenant Amon G. Carter, Jr., heretofore reported missing, is now known to be a prisoner in Germany.

While I am sorry to here that he is in Germany, nevertheless, it must be a great relief to you to know that the lad is safe, and I congratulate you upon receiving this confirmation from the War Department.

I am taking the liberty of sending both of these clippings to my son in Pomfret School, Connecticut, who of course will be delighted to know of the good news that has come to you.

Very sincerely yours,

C. L. Despard
