Mr. Amon Carter,  
THE STAR TELEGRAM,  
Ft. Worth, Texas

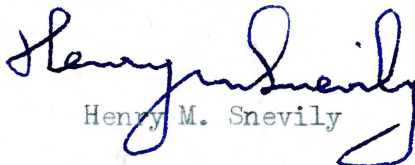

Dear Mr. Carter:

That was certainly wonderful news about your son and I thank you for sending me the tear sheets. I assume you also sent them to Jack but I will show him mine, anyway.

From all reports, prisoners of war in Germany are treated fairly and humanely, and live under as good conditions as possible under the circumstances. While it may be a long way off, I hope that it will be less time than we expect before you have a glorious reunion.

With best wishes,

Yours sincerely,

  
Henry M. Snevily
