

PAUL MACKALL
BETHLEHEM, PENNSYLVANIA

April 29, 1943

Dear Amon:

I am sitting at home with a broken arm and just heard the good report of your boy having been captured by the Germans instead of missing in action as was the first report. I just couldn't wait until I got back to the office to tell you how glad I am about this, so please excuse the informality of this letter.

Good luck and lots of it.

As ever,

Paul

Mr. Amon G. Carter
