Amnon dear

Again I am indebted to you <sup>for</sup> great beauty and sweetness in the magnificent Calla lillies that came to me at Easter. They kept lovely and fresh and very fragrant for days and they told me a sweet story. You are so precious to send them. I can't tell you the joy they brought into my heart. Thank you dear Amnon for them. Love

more I am thankful  
for you. We are so happy  
over the news from our  
precious Amos Jr. May the  
time not be long till this  
ghastly war is over and  
our dear boys are back  
with us. We want to see you  
Amos dear. Ella will be  
leaving for New York  
shortly, so drop by before  
she gets away. You are  
much in our minds and  
we love you Amos dear
