Mr Armon G. Carter
Fort Worth Texas.

Dear Mr Carter -

I appreciated very
much the paper you
sent me concerning
your son Lt. Armon Carter,
and I congratulate
you most heartily on
the good news that
he is now reported
safe in Germany.

I was interested at
the time of the first
fighting in Tunisia to
know if others who had
relatives "missing in action".

in that engagement, had
had any further news
of them - My nephew, Capt.
John S. Peyton was missing
at that time and is
now reported a prisoner
in Germany - He is in
prison Oflag 9 - A-7.

Also Hon. Willis Robertson's
nephew is in this same
prison - My nephew trained
at Fort Knox, armored
tanks, & was in Ireland
& England before going to
Africa -

Needless to say the
news about these young
men after the strain
of waiting for further
word of them has
brought great

hearing of was a most interesting
account of your son

Thank you again

Most sincerely

Elizabeth Peltz
