Dear Amon:-

During the A.N.P.A. convention I tried to see you so I could tell you how happy I am that the news about Amon, Junior, is not as bad as it might have been and that you are relieved to know where he was.

However, I didn't see you, so I am now saying it by letter. I know all your friends are very happy to hear this better news.

I hope that further good news will come and that both he and you will find things better as this war goes on.

My very best personal regards.

Sincerely,

Phil
