Dear Miss Deakins:

Am wondering whether after my letter of April 16th and after the receipt of the VAN DYCK cigars sent you at that time you are in a position to advise as to the shipment of cigars to be made to Lt. Amon G. Carter, Jr.

Possibly the swiftly moving events of the past week may cause you to alter your plans with regard to the mailing of another shipment of cigars; in any event, thought it best to write you again for your instructions.

With kindest wishes, I remain

Yours sincerely,

WB:MB
