

April 21, 1943.

Mrs. Roy J. Chappell,
Kaufman, Texas.

Dear Mrs. Chappell:

Your letter of April 16 advising the address of a camp in Germany in which your son is interned has been received during Mr. Carter's absence from the state.

It was exceedingly nice of you to give us all of the information that you did, and all of the organizations had already been communicated with in connection with Amon Jr.'s having been reported a prisoner of the German government. Meanwhile, today Mr. Carter was officially notified by the Provost Marshal of Amon Jr.'s address and it happens to be the same as that of your son.

Again thanking you and with the hope that we will soon have direct word from these boys, I remain

Yours very truly,

Secretary to Mr. Carter.
