

October 16, 1944.

Mrs. Bert Cole,
619 Ann Avenue,
Kansas City 16, Kansas.

Dear Mrs. Cole:

Your letter of October 10 has been received and is thoroughly appreciated. When I realize what heartaches and troubles you have had to face, it seems that we have had nothing insofar as our worries are concerned. I truly hope that your son, Bob, continues to improve and that somehow, some way his injury will not prove as serious as it now seems. So much has been done in the way of surgery and medical attention during this present war that there may be some hope of full recovery insofar as his injury is concerned. Anyway, there is always hope.

The pictures from Mrs. Bill Fabian were received this morning and I am sending them on to you as per your request. I am also sending you extra copies of the pictures in which Lt. Fabian appears.

With best wishes, I am

Yours very truly,

Secy. to A. G. Carter.
