Mr. Harry E. Blythe, President
Culver Fathers Association
Culver Military Academy,
Culver, Indiana.

Dear Mr. Blythe:

On my return to the city, I found your letter of May 1st in which you make reference to your visit with Colonel Henderson and the new Guidance Booklet which has been printed and of which you speak in the highest terms.

While I am snowed under to the guard with three times as much work as I can do, I will be glad to cooperate in every consistent way possible 100 %, either to buy a number of the booklets and send them out or do anything I can. Please let me know how you think it should be handled.

Sincerely,
