Note:—The policy for observing patriotic holidays is to render appropriate programs in the Chapel on such days, the regular class schedule continuing. The days missed from work are concentrated into holidays at Thanksgiving, Christmas, and Easter, thus permitting students to visit home; one-day holidays would not allow sufficient time for this.

 - II. Brite College of the Bible; a Theological Seminary.
 - III. School of Fine Arts.
 - IV. School of Education.
 - V. School of Business.
 - VI. The Graduate School.
 - VII. The Evening College.

The Divisions:

For a decade or more, some related departments have coöperated as a division. The arrangement has now been extended to all departments. The scope of the divisional organization and of the chairmen is coöperative rather than executive. They will foster courses that overlap departmental lines, aid students in better integrating their general courses, and avoid the duplicating of contents.

Division of the Natural Sciences and Mathematics: Professor Hogan, Chairman.

Departments of Biology and Geology, Chemistry, Physics, Mathematics, Home Economics.

Division of the Social Sciences and History: Professor Mundhenke, Chairman Departments of Economics, Government, History, Sociology, Business Administration, Journalism.

HISTORICAL DATA

Out of a consecrated desire to inculcate character-training into the New South after the Civil War, this institution was founded at Thorps Spring, Texas, in 1873 by Addison Clark, President, his brother, Randolph Clark, Vice-President, and their father, J. A. Clark, Business Manager. The story of its development is outlined in the "Milestones of History" above.

A fuller story is told in the issues of the catalog up to 1932 and is not repeated here.

The Board of Trustees of 21 members elect to fill vacancies subject to the ratification of the Texas Christian Convention, the body representing the Churches known as the Disciples of Christ or Christian Churches of Texas.

LOCATION

Texas Christian University is situated within the city limits of Fort Worth in a beautiful residential district to the southwest. It is less than twenty minutes' ride by bus from the heart of the city. The auto route is one of the most attractive drives about the city.

Two public school buildings near by serve the children through the eighth grade. The high school is reached by bus in ten minutes.

Fort Worth is a growing city of 200,000 population, an ideal city for university work. As a railway, bus, highway and airline center of the Southwest, it provides quick and adequate transportation service. It is the regional center of many industrial activities, furnishing a laboratory for many kinds of university research. It has a large number of churches and civic and philanthropic organizations; its public educational facilities are widely recognized as superior both in curriculum and in physical equipment. It has many private schools, and three other institutions of higher learning.

The City of Fort Worth and the University attract many distinguished visitors and lecturers from all parts of the nation. Through the lectures, music clubs and similar organizations artists of world renown are to be heard each year.

The business interests of the City of Fort Worth are heartly supporting the University, as is evidenced by their financial aid and the coöperation of a number of the service clubs. These organizations have been especially helpful in promoting the usefulness of the institution.

BUILDINGS

Eight modern, fire-proof, cream-colored brick buildings of classical architecture grace the spacious campus of Texas Christian University:

Administration Building.

Jarvis Hall (residence for women).

Clark Hall (residence for freshmen and sophomore men).

Goode Hall (residence for junior and senior men).

Brite College of the Bible.

Gymnasium (physical education for every student).

Mary Couts Burnett Library.

Stadium (seating capacity 20,000).

Field House (for basket ball, other indoor games).

Sterling House (residence for senior women).

Gibson House (residence for junior women).

Sherley House (residence for junior women).

Tomlinson House (residence for junior women).

Laboratory facilities of the University afford opportunity for individual experiment and investigation in the fields of biology, chemistry, geology and physics. In each of the laboratories, provision is made for carrying out in full the courses outlined in the respective departments. The Museum adjoining the laboratories of biology and geology is among the best in the country.

The Library represents the assembly of carefully selected volumes, including generous donations and annual appropriations, since the fire of 1910. More than 60,000 volumes are available, of which 18,000 are Government documents. Special rooms are devoted to "Southwest Literature" and to "Literature of the Disciples." The "Dr. James W. and Maggie P. Lowber Library" was dedicated Feb. 13, 1940.

A CHRISTIAN SCHOOL

Christian Influences. Every person, without respect to creed or faith, is free to study in Texas Christian University, and no restraints will be placed upon his freedom of thought or opinion. The ideals of the school are distinctively and positively Christian. Avoiding any semblance of sectarian spirit, and maintaining thorough academic freedom in schoolroom instruction, there is nevertheless every care to place about the student those influences and ideals of true Christianity which alone can develop the highest type of character.

Indeed the University is founded and supported on the faith that education must be more than the training of the mind; that the inculcating of those deep convictions that produce great character, and the specific teaching of the truths of the Bible which is the basis of true civilization are essential to the highest type of education.

Students are encouraged to attend the churches of their choice, in Fort Worth. Adjacent to the campus is the beautiful new University Christian Church, with a life and service that is proving to be attractive to young people because of its appeal to worship and to live, virile preaching that enlists youth.

The Student Christian Association is alive and active as an expression of student Christian life. The University Christian Church exerts a potent and growing influence for religion.

STUDENT ORGANIZATIONS

Texas Christian University has a variety of thriving student organizations designed to stimulate interest and provide opportunity for student expression in the fields of learning, service, and sports, all of which are a part of the educational process. Membership in these organizations is not based upon social standing, or mere personal preference of the members, and no society may be of a secret nature or order. The spirit of democracy prevails. Each student organization has a faculty sponsor. The following grouping will show the variety and types.

The Student Body Association.

Honor Societies: Alpha Chi (scholarship), Phi Sigma Iota (modern language), Alpha Psi Omega (dramatic), Ampersand (senior women), Pi Kappa Delta (debating), Sigma Tau Delta (English).

Departmental Clubs: Anglia, Brushes, Dana Press, Dramatic Club, Home Economics Club, International Relations, Los Hidalgos, Parabola, Poetry Club, Timothy Club, Frog Forensic, Natural Science Society, T. C. U. Chamber of Commerce.

Music Organizations: Band, Men's Glee Club, Mixed Chorus, Orchestra, Women's Glee Club, T. C. U. Music Club.

Athletic Organizations: "T" Association (men who letter in athletics), Women's Athletic Association.

Religious Groups: B. C. B. Association (for those training for full time Christian service), Student Christian Association, Baptist Student Club, League of Evangelical Students.

Social Clubs: Bryson, Frogettes, Leti, Mavericks, Newman.

SCHOLARSHIPS

Policy. It is the desire of the University to encourage students of proven ability to continue their education, and to secure for them the aid of scholarships, when this is needed in T. C. U., and also in graduate schools after completing the degree here. In general a "C" average is required to maintain a scholarship grant. Service in return may be required of scholarship students.

The value of a scholarship, normally, is \$150.00 applied on "Tuition." In some cases they are less to day students. Music scholarships usually cover a

specified amount of music tuition.

High School Scholarships. One scholarship to each accredited High School in Texas, for the highest grade student of the class, or for the second highest. The value is \$150.00 on the full bill for a dormitory student, or \$75.00 for a day student. To Fort Worth High Schools, are awarded two \$150.00 scholarships to each of the six High Schools, for the highest grade boy and highest grade girl among the graduates in January and in June classes, and two for the one summer class. These are non-transferable. Scholarships are not sent out until the Principal or Superintendent certifies the name in each case.

Junior College Scholarships. Any graduate of a Junior College who ranks in the upper third of the class may apply for a scholarship: from the applicants, ten may be elected. This scholarship is for \$150.00 for a boarding

student, or \$75.00 for a day student.

Student Leadership Scholarships for students who render outstanding service to the school life and make "C" average grades. Fifteen of these go to those who play lead instruments in the Band and orchestra, final awards being made the Saturday before the opening date in September. A limited number of these scholarships may go to athletes under the restrictions of the Southwest Athletic Conference.

Ministerial Scholarships through the Brite College to the extent provided

by the gifts of churches.

The York Rite Masonic Scholarship Fund is used to aid students from the Masonic Home, as selected by the Committee of the four York Rite Trustees. This fund is capitalized at \$10,000.00 and is growing by additions annually.

The Lollie S. Greene Scholarship Fund was endowed for \$2,500.00 by the late Dr. Robert M. Greene in memory of his wife. The income provides a scholarship annually for some worthy girl whose father or mother, or both are deceased. Dr. Greene was a kindly neighbor of the campus for many years.

The Wilbur M. Kidd and Wife Scholarship Fund of \$10,000.00 is a memorial request from the Estate of this good family of Dallas. It provides three or more scholarships each year for students of superior records, selected by the administration on the advice of the executor of the estate.

The W. H. Green Scholarship Fund of \$5,000 donated by Mr. W. H. Green, Albany, Texas, provides a scholarship for some worthy student selected by

the Administration and the donor.

The Optimist Club of Fort Worth provides a Scholarship in Juvenile Research, valued at tuition plus car allowance (about \$245.00 per session).

Candidate must meet the approval of the Optimist Boys' Work Committee, must maintain a high scholastic rating, devote the required amount of time to the leadership of a club of underprivileged boys in Fort Worth under the auspices of the Optimists, and present his findings in a scientific report or thesis, to them. The research will be done under the direction of the Professor of Sociology. It is contemplated that this scholarship will be assigned to the same student continuously for three years.

The Amon G. Carter Jr. Scholarship provides \$200.00 each year for tuition in Texas Christian University. All bonafide City Carrier-Salesmen and regular newsboys of the Star-Telegram who have been working for as much as sixty per cent (60%) of the current school year are eligible to compete, regardless of classification, and no others. Grades as furnished by the school authorities will serve as the basis of determining the winner. Extra-curricular activities will not count as credit for or against any boy. In the event of a tie, the grades of the previous year will count, with Citizenship grades getting first consideration. If the first place winner can not use the scholarship for any reason, it will go to the second place winner. This scholarship is good to Texas Christian University only. It is good any year, but is nontransferable. This scholarship is paid by the Fort Worth Star-Telegram.

One Student Government Scholarship of \$50.00 (applicable to tuition) is awarded each year by the Student Council to the Freshman, Sophomore, or Junior student who, in the judgment of the faculty-student award committee, contributes most to the student government on the campus.

Loan Funds are provided by the Alumni Association, the University Place Study Club, and by several clubs in Fort Worth for superior students usually for Juniors and Seniors. Information about these can be had at the Business Office.

DORMITORY REGULATIONS

It is to be understood that students entering the dormitories of T. C. U. thereby pledge themselves to abide by the regulations governing dormitory life. Parents in placing their sons and daughters in the dormitories thereby signify their confidence in the administration and pledge their willingness to cooperate with them in carrying out the policies of the institution.

Rules are not enumerated, because the matter of living together in a home is not approached in the spirit of rules. It is the general policy to make and interpret regulations for the good of the individual and to be as liberal as is consistent with good studentship and orderly living together in an atmosphere which should characterize a Christian institution.

Practically all rooms are for two students. They are ample in size, having two large clothes closets, running water, and are furnished with two beds of three-quarter size, two dressers, study tables, and chairs. Each student must furnish his own towels, bedding, pillow, sheets, pillow cases, bed spread, dresser scarf, and waste basket. He may include other articles such as rugs, pictures, and curtains to make the room more comfortable and attractive.

DISCIPLINE

d

The Discipline of the institution is in the hands of the President and a committee on student welfare. The details are in immediate charge of the Dean of Men and the Dean of Women. The students are invited to join the administration in maintaining such ideals of life as to make disciplinary problems rare.

All forms of hazing and secret societies are forbidden, and the student, by his matriculation, pledges himself to abstain from them.

Any gross violation of good conduct, such as profanity, gambling, drinking, insubordination, destruction of University property and disrespect toward authority will automatically remove the student from the University community. A student who is manifestly out of harmony with the ideals of this institution may be dismissed without specific charge.

Secret Marriage. Any student who makes false pretense as to his or her married state is subject to immediate suspension for an indefinite time. This applies to any person who marries secretly while enrolled as a student or who was secretly married at the time of enrolling.

Cases of dishonesty in tests, quizzes, examinations, writing of themes, or other class assignments are handled by the Committee on Academic Honesty in coöperation with the teacher in whose class the dishonest act was committed. A first offense usually involves loss of credit; repeated or aggravated offenses, suspension from the University.

Academic dishonesty is defined as any attempt on the part of a student to receive credit for work other than his own.

Unless proper credit is given the original author through the use of quotation marks, foot-notes, or other explanatory notices, it is assumed that all written work offered is the student's own.

Presenting written work for credit in the form of notes, themes, reports, problems, etc., prepared by another person, shall be considered dishonesty.

Willfully giving or receiving aid in any form, during a quiz or examination, shall be considered cheating.

Smoking. To many students and patrons tobacco fumes are obnoxious; to some it is even deleterious to health. Courtesy, therefore, and the good of the whole forbids smoking in the hallways and class-rooms. It is permitted in the Boys' Lounge and in the offices of such teachers as allow it. Young women are forbidden to smoke. This policy accords with the better standards of the homes of the patrons.

Rooming in College Buildings. Undergraduate students, under 21, are expected to reside in the dormitory unless living at home, or with relatives. Special exception will be permitted in the interest of working students.

Chapel. All undergraduate students are required to attend the weekly assembly, as a means of promoting the unity of the school life.

GRADING AND POINT SYSTEM

The definition of grades, and the point system designed to stimulate quality of work, are indicated as follows:

- A-Reserved for exceptional work-3 points per sem. hr.
- B—Implies superior work—2 points per sem. hr.
- C-Means medium work-1 point per sem. hr.
- D-Means inferior work-0 point per sem. hr.
- F-Means failure--- 1 point per sem. hr.
- I—Means incomplete (must be removed within first 30 days of the semester immediately following or it becomes an F. The fee for removing an "I" is \$2.00).
 - N-"No grade"-(Used only at mid-semester).

P-"Passing"-(Used only when student drops a course after first six weeks).

S-"Satisfactory"-(Used in recording grade for Orchestra, Chorus, Glee Club and P. T.).

U-"Unsatisfactory"-(Used in recording grade for Orchestra, Chorus, Glee Club and P. T.)

Each student, in order to graduate, must have a C average under the point system on all work for which he enrolls. A course dropped, after the first six weeks, while the student is failing is counted F. A course dropped while the student is passing is not included in the calculation. In case a course is taken more than once, the higher grade is counted in the calculation, the lower grade or grades and hours disregarded. The grades are counted separately by semesters.

The student of average ability can carry five subjects, or 15 semester hours per semester. A student carrying more than 16 hours will receive credit as determined by the following table:

With a grade index of	2.00+	1.67+	1.33+	1.00+
If carrying 18 hours	18	17	16	15
If carrying 17 hours	17	16	15	15

For less than 1.00 he will receive credit for each course passed, to the maximum of 15 hours. To carry 18 hours the student shall have demonstrated his ability to make an average of B (2.00). Requirements for graduation include 120 semester hours and a minimum of 120 grade points.

Grades are reported to the parents at the middle and end of each semester.

SCHOLARSHIP RULE OF SUSPENSION ON ACCOUNT OF FAILURES

In principle, the student whose grades indicate that he is either unwilling or anable to pass his work, will not be retained in the University.

Specifically, the student who

- Fails (makes a grade below D) in three-fifths of his work in the fall semester may not enroll in the succeeding spring semester; or
- 2. Fails in three-fifths of his work in the spring semester may not enroll in the succeeding summer session, or in the succeeding fall semester; except that in the case of a FRESHMAN, if he fails in three-fifths of his work in his first semester he will be placed on probation until the close of the first half of the following semester; then if he is failing in three-fifths of his work he will be suspended until the beginning of the next semester; and
- Any student who fails again in three-fifths of his work in any semester, must remain out of the University for at least twelve months.

(Note.—For purposes of this regulation, the summer session is not considered as a semester.)

GENERAL DEFINITIONS

The College Year is arranged in a long session of 36 weeks, divided into two semesters of 18 weeks each, designated as fall and spring; and a summer term of twelve weeks, divided into two terms of six weeks each.

The Credit or Semester Hour. The unit of calculating credit is the semester hour. One hour a week of recitation for a semester of 18 weeks is counted as one semester hour.

Correspondence Work. A limited amount of credit, usually not more than 18 semester hours, taken by correspondence in a standard school will be accepted toward a degree; but no correspondence course may be carried while the student is in residence work. Permission to take correspondence work must be secured from the Dean or Registrar. Any course begun by correspondence must be completed before enrolling for residence. No correspondence work is accepted for graduate credit. A course in which the student has failed to make a passing grade may not be taken later by correspondence. Right is reserved to require our own examination on any correspondence course offered toward graduation.

Policy Concerning Absences. Credit and grade in a course are to be determined primarily on the student's mastery of the contents and attainment set for the course, as measured by (1) preparation of class work, (2) class tests, (3) final examinations, and (4) initiative and diligence. Regular class attendance is required of Freshmen and Sophomore classes. No "cuts" are "allowed." Several absences will tend to lower the grade; frequent or persistent absence will preclude a passing grade.

Class attendance is expected in all Junior and Senior classes subject to special arrangement with the teachers in case of special assignments for students with high grades such as on the "honors" plan.

There is no provision for doing the work of any course as a non-resident student.

Teachers are requested to report to the Registrar the name of any student who is absent from three consecutive class periods.

A faithful student will either arrange for an absence in advance with the teachers or will explain it immediately on return.

Absences from the chapel assembly will be posted on the bulletin board, and if not satisfactorily explained, will cause subtraction of credit hours from the student's permanent record.

Group Absence. Groups, such as athletic teams, glee clubs, etc., may not be absent from the University more than 12 days total in any semester.

Eligibility to Represent the School in Public. In order to represent the University in any intercollegiate event, such as athletics, oratory, debate; or in public places of honor within or without the school such as in glee club, band, student body officers, editors, business manager, etc., the student must have passed in at least eighteen semester hours during his last two semesters of residence before participation, and he must have passed at least nine of these in each semester. (In the case of athletes the Southwest Athletic Conference requires that he must have passed in at least twenty semester hours instead of eighteen.) He is expected to be enrolled for fifteen hours, but may be carrying only twelve if approved by the Dean or Registrar, on account of employment to cover expenses, or for some other good reason.

OFFICE OF MEASUREMENTS

Based upon the experience of more than a decade in testing and guidance, the Office of Measurements (Tests) and Guidance has been established and equipped. In 1929 Pre-Junior tests were inaugurated locally. In 1932 the Nationwide Sophomore test was adopted for the same purpose. This and other tests as they have been developed have been tried out and utilized, both by departments and to various groups.

The establishment of this office will make it possible to coördinate the work of testing, and to accomplish it more efficiently. Dr. Dougherty as

Director of Measurements and Dean Nielsen as Director of Guidance, coöperating, devote a portion of their time to this work.

Several Tests are furnished free to the students by groups, other individual tests are available to students at a fee to cover costs. These are being increasingly used by students who wish information about themselves as a basis of their planning. It is quite possible by this means for students who can to advance more rapidly than the average.

The Office of Measurements is now equipped to obtain:

- Information concerning a student's aptitude for succeeding in college.
- 2. A measure of six of the important items which compose one's personality.
- 3. A measure of a student's adjustment to school and to life in general.
- 4. An index of his reading ability.
- 5. An inventory of study habits.
- 6. An insight into the student's vocational and professional interests.
- A measure of one's aptitude for teaching and certain other professions and vocations.
- 8. A measure of student's general status in educational achievement in most of the special fields or departments.

Aptitude tests for the various professions and fields of interest are being added when available and the demand warrants.

The Bureau of Measurements is truly a service bureau. The information gathered here is given to the Personnel Office so that the director of Personnel can advise more intelligently with the students, teachers, advisors, and administrators. On the basis of objective information obtained through this office, marks in the courses, school activities, and other information collected by the faculty, students are advised as to the selection of courses, major and minor subjects, and careers.

HONORS COURSES

Students who show high rating on the above tests are eligible to apply for the status of "Honors Candidate." If accepted by the Committee and the major professor, the student will be allowed to follow studies in his major field with more initiative, research, and individual freedom than usual. The methods will vary with the teachers and the student.

Honors for Quality. At the time of graduation "honors with distinction" (formerly called "cum laude," etc.) will be awarded to 10 per cent of the graduating class, selected by a committee of the faculty on the basis of grade index and a comprehensive examination in the major field. To be eligible the student must have earned at least 60 semester hours in T. C. U. (exclusive of credit by examination or correspondence), and must have a point index of at least 2.25.

CREATIVE WRITING AT T. C. U.

T. C. U. has always encouraged creative writing among its students. The English Department offers a course in creative prose composition and sponsors an active poetry society. The Bryson Poetry Prize is one of the oldest college awards in the state, and there is an annual short story contest. Prizes for freshman writing are given by the Dallas-T. C. U. Woman's Club. The awards in these contests are made during May at the Creative Arts Day program in

chapel, to which the Fine Arts Department contributes original musical compositions and an exhibit of paintings. Twice a year, with the coöperation of the Journalism Department, a Literary Supplement of the *Skiff* is devoted to original student writing.

HONOR ROLL

A student to be eligible for the Honor Roll must be carrying at least nine (9) hours during the semester in courses that credit toward a degree; make an average of B (2.000); be passing in each course he is carrying at the time the semester grades are turned in; must not have a grade less than C (1.000); and must not have an "I" grade in any subject. The passing grades are A, B, C, D.

STANDARDS

Texas Christian University maintains membership in:

The Southern Association of Colleges and Secondary Schools.

The Association of Texas Colleges.

The National Education Association.

The College Association of the Disciples of Christ.

The Council of Church Boards of Education.

The Association of American Colleges.

It is on the approved list of:

The Association of American Universities.

The Department of Education of Texas.

American Medical Association, Council on Education.

American Association of University Women.

The University of the State of New York.

The Republic of France.

ENTRANCE REQUIREMENTS

Character and Pledge. To be admitted, the applicant must be of good moral character, and must present a transcript of credits, properly signed, from the last school attended, high school or college, including a statement of honorable dismissal. This should be mailed to the Registrar, Texas Christian University, Fort Worth, Texas, some weeks before coming.

By the act of accepting membership in the University, the student pledges himself to refrain from encouraging or participating in any form of hazing, or secret society, or fraternity in connection with the institution.

Vaccination. Each student must present a physician's certificate showing either that he has had smallpox, or has been successfully vaccinated, within the last three years. Those who do not, will be vaccinated by the University physician. (Fee, \$1.00.)

SCHOLASTIC REQUIREMENTS FOR ADMISSION

Applicants under 21 years of age must have been graduated from an accredited high school and with fifteen (15) accredited units, including: English, 3; history, 2; mathematics, 2; science 1. Any of these may be obtained by examination, either in T. C. U. or under the State Department of Education.

If the applicant presents graduation and fifteen accredited units, including 3 in English, he may enter and be allowed to make up the missing units. In no case will an entrance examination be permitted in a subject after the subject has been taken in college.

Applicants over twenty-one years of age who give evidence of ability to carry college work, may be admitted without examination, at the discretion of the Dean or Registrar. In such cases, only tentative credit is given, and the student is entered as a special student on individual approval.

These tentative credits will become approved by the completion of a college course in each respective subject; one year in college in English, mathematics, history, science, a foreign language will approve respectively, English 3 units, mathematics 2 units, history 2 units, science 1 unit.

When a student has approved these units, he will be given credit for all other units he has actually taken in a secondary school up to a total of the required fifteen. The second year of a college foreign language will approve two units of that language for entrance.

The very spirit of this individual approval plan requires that the mature student manifest a spirit of earnest purpose, diligent application and proper cooperation. Failure to do so will forfeit the trust placed in him, and he will be dropped. He will also be dropped if he shows that he does not have the foundation for doing college work.

TRANSFERS AND ADVANCED STANDING

A student coming from another college must present a statement of honorable dismissal, and a transcript of his credits sent directly from that school to the Registrar. These credits will be accepted according to the rank given that school by the proper standardizing agency for its section. Texas schools are credited on the basis of their classification by the Association of Texas Colleges.

All Credits Accepted from other colleges or universities are received on condition that if the student fails to demonstrate his ability to carry the advanced work satisfactorily, the amount of credits allowed will be reduced, or cancelled. If the average of transfer work is less than our C, no credit will be given for any course that shows the lowest passing grade.

Cumulative Record an Auxiliary for Admission and for Guidance. Some high schools are maintaining or developing cumulative records of tests and personal characteristics of students. The Association of Texas Colleges is fostering a series of objective tests with cumulative records. As these are introduced they will be valuable aids to the student and to the college, especially in guiding the student. These will be taken into account in the admission of students.

These should show accurate records of the results of comparable (objective) measures of intellectual capacity and of achievement in the important subjects, and other items suggested in such standard forms as those provided by the American Council on Education and the Educational Records Bureau.

INSTRUCTIONS FOR REGISTRATION

Those who plan to enter Texas Christian University for the first time should study carefully the following instructions, and also the calendar on page 5 of this catalog.

First. Write to the "Registrar of Texas Christian University, Fort Worth, Texas," for application blank.

Second. See that a certificate of credits is sent by the last school attended (high school or college) directly to the Registrar. No student will be considered for admission until this record is in the office of the Registrar.

Third. If the home of the applicant is not in Fort Worth, a room reservation fee of six dollars (\$6.00) should be sent to the "Business Manager of Texas Christian University" as early as possible. Rooms are assigned in the order of application.

Fourth. If this is your first time in college, or if you have less than a year's credits, be present at the Main Building at 9:00 a. m. Friday, September 13, without fail. All Freshmen are required to devote the days September 13, 14, 15 to a program of organization, in what is known as "Freshman Week."

Fifth. Select your subjects from the tables that follow. Your selection will be checked over and advice given you personally by the teacher in charge of your group during the registration period so you do not need to make final decision before coming.

Sixth. During Freshman Week students will be assigned a time to report to the Business Office to settle the bill. A late fee of one dollar will be charged if the bill is not settled by September 17, and each day later adds a dollar to this fee.

Seventh. A physical examination is required of all new students during the period of registration. If complied with during this period there is no fee. If delayed a fee of \$1.00 will be assessed.

TABLES OF COURSES

These are printed to guide the student in the selection of courses for the first two years of work. The final decision should be made only after advising with the Counselors or the Registrar or the Dean.

The first two years of college work is foundational, hence is much the same for any course the student may have in mind.

On completion of the above courses in Texas Christian University, if the student's point index is 1.500 or higher he may enter the School of Medical Technology in Harris Memorial Methodist Hospital. After satisfactory service in this school for twelve months he will receive our B. S. degree. This is subject to "Provision for Combination Courses" on a following page.

Pre-law students are urged to take the full B. A. majoring in government. A combination curriculum is offered. Ninety-three hours of Pre-law work here and the LL. B. degree will obtain the B. A. degree from Texas Christian University, subject to the Provisions of the Combination Courses as stated in following paragraph.

Provision for the Combination Courses in Law and Medicine. In order to have this privilege the student must have petitioned for this combination before leaving this institution, secured written official approval of his courses from the Registrar's office, and have arranged satisfactorily for the fulfilment of all the general requirements for the degree and have an average of C, including failures, in the calculation. The ninety-three semester hours of college work must be completed before entering the professional school, but special permission may be secured to complete a small amount in summer terms later, provided this arrangement is made before the student leaves the University.

DEGREES

The Add-Ran College of Arts and Sciences offers (1) the degree of Bachelor of Arts, for majors in the usual academic departments, including the natural sciences; also for the Fine Arts. (2) The degree of Bachelor of Science for majors in Education, Physical Education, Commerce, and Home Economics.

This represents a change in policy, which began September, 1935. Before, the B. S. had been reserved for majors in the natural science, which, it is maintained, is the more consistent use of the term. The practice of using the B. S. for the semi-professional major, however, is so general that this institution is constrained to adopt it for the sake of clarity. Majors in the sciences will receive the B. A.

The Graduate School offers the Master of Arts and Master of Science. The Brite College of the Bible offers the Bachelor of Divinity. The School of Fine Arts provides the Bachelor of Arts with a major in Music or in Art. The Bachelor of Music is reserved for the exceptionally talented who will take additional work.

REQUIREMENTS FOR GRADUATION

In prescribing the requirements for graduation, the faculty accepts the blea of a limited elective system; requiring certain prescribed subjects, in order to give breadth; and the concentration upon some definite form of related subjects to afford a comparative mastery of some field.

A student may graduate under the requirements of the catalog in force during the session in which he first enrolled, provided he graduates within six years from the end of that session. The summer term may count as a part of the session before or after it. A student may graduate under the requirements of the catalog of the session in which he graduates. It is expected that the requirements of the catalog chosen will be followed as a whole.

1. General Requirements:

n

Required Subjects for B. A. Degree:

Bible-6 sem. hrs. (3 sem. hrs. must be advanced).

English-12 sem hrs. (Eng. 11 and 24).

A foreign language-6 sem. hrs. (numbered 21 or above).

Social science—6 sem. hrs. (usually Soc. Sci. 12).

Psy. or Phil.-3 sem. hrs.

Science—6 sem. hrs. (If no high school science was presented then 12 s. h.) Physical Training—2 years (taken in first two years).

Required Subjects for B. S. Degree:

Bible-6 sem. hrs. (3 sem. hrs. must be advanced).

English-12 sem. hrs. (Eng. 11 and 24).

Social science-6 sem. hrs. (usually Soc. Sci. 12).

Psy. or Phil.-3 sem. hrs.

Science—6 sem. hrs. (Biology, if degree in Education.)

Physical Training—2 years (taken in first two years).

For other degrees see Brite College of the Bible, and the Graduate School. In all cases, the candidate's use of the English language must meet the approval of the proper committee of the faculty.

- 2. Majors and Minors. Each student will elect by the end of his sophomore year a major with a minimum usually of 24 semester hours, and a minor of 18 hours, approved by the head of the department, in writing. Under each department in the catalog will be found a statement of the requirements for a major in that department, and the available minors.
- 3. Total of Credits. Each student is required to make before graduation a total of 120 semester hours with a grade point index of at least 1.0 under the point system as explained on page 24, doing resident work in this University at least 36 weeks, earning at least thirty semester hours in addition to any number accepted from other schools, or used for another degree. Thirty of the 120 semester hours must be advanced courses; that is, numbered in the 30's, 40's, or 50's. At least 30 semester hours of advanced work must be done in Texas Christian University.

If a second Bachelor's degree is taken, an additional 30 hours of advanced

work will be required.

The last 30 semester hours are to be done in Texas Christian University, except as provided for in the combination degrees with law or medicine.

On work done in this institution a transfer student must make a grade

index of 1.0 under the point system.

4. General Character. Additional credits may be required of candidates for graduation as a penalty for improper conduct. No student may be graduated who is guilty of any gross offense, or who fails to make a satisfactory adjustment of his financial account with the institution.

The candidate must be present in person to receive a degree, except that if the candidate is not present at the time the degree is regularly due to be conferred, it may be conferred in absentia at the next June Commencement occasion thereafter. This postponement may be waived by majority vote of the Cabinet in extreme and rare cases, such as unavoidable confinement by illness, but not for mere personal convenience or financial saving.

RATES AND FEES

Important: After the student has enrolled for courses in the Registrar's Office, or has been enrolled by a committee, he must go in person to the Business Office and make payment, or arrange for terms. He will then receive "Admit to Class" cards signed by the Cashier. These cards will be necessary to admit the student to classes beginning Wednesday, September 18 for M. W. F. classes, and Thursday, September 19 for T. T. S. classes. In the spring the admittance date will be February 1 and 3 on this same basis.

Students and patrons are advised that arrangements with the Business Office should be made early so there will be no delay in starting class work. Students will not be admitted to class after September 17 and January 31

without "Admit to Class" cards.

Under the name, "Tuition" is included the charge for instruction in regular class work (not private lessons), also such items as matriculation, athletic fee, gymnasium fee, lecture course. Deposits and fees for extra, individual services like laboratory are separate, as listed below.

A Student Coupon Book good for all athletic events and a Lecture Course held at the University, provided for each student who pays for as much as semester hours per semester. This is non-transferable, because it is provided at a wholesale rate, much lower than can be sold to the public. It is not a purchase but a student privilege. Hence, if presented by anyone else it will be taken up and cancelled. If lost, no duplicate will be issued, but the matter should be reported to the Business Office at once, so that in case the original is recovered, it may be returned to the rightful owner.

The Student Publication Fee of \$6.00 is payable once each session by every student who enrolls for as much as 9 semester hours. It provides a copy of the Annual, The Horned Frog, and a subscription to the weekly paper, The Skiff.

Board and Room. All students who are not living with their parents or some relative are required to room and board in the dormitory, except those 21 years of age or over, senior girls, and junior or senior boys, and any student whose job requires living outside. A student who rooms in the dormitory and boards outside will pay at the rate of \$2.50 per week for room.

Board cost is estimated by the semester. It is assumed that each student will miss some meals by visits and week-end trips, and no refund is made for

these. It is the policy of the university to use only the best quality of food at a fair price, rather than to lower the rate and serve cheap food. Also the student is encouraged to eat regularly rather than to shop about.

Guests of students will pay the same rates for board and room as are

charged the students. Board may be paid for by the meal.

Medical and Nurse fee covers the service of the resident trained nurse, who gives her full time to this work, to the services of the university physician which he can render in the dormitories, or in his university office, and such common medicine as can be supplied from the stock without prescription. It does not include any hospital service, or operations, or medicines required by chronic ailments acquired before matriculating.

Room Deposit (\$6.00) is required as a guarantee to cover any damage or breakage by the student. Any balance remaining is refunded when the student finally withdraws from school, on surrender of the original receipt, provided all his accounts with the business office have been paid. Each student is responsible for any damage in his own room. Items prohibited in the rooms are electrical irons, double sockets, and other such equipment, cooking, and preparing meals.

Library Deposit (\$5.00) is required once on enrolling, as a guarantee to cover losses or fines on books. After fines reach \$2.00 they must be paid in cash, leaving the student deposit intact. On withdrawal from school, \$4.00 of the deposit, less fines, will be refunded on surrender of the original receipt, provided all accounts with the business office have been paid.

FEES FOR SPECIAL SERVICES

D

A Change Fee of \$1.00 is charged for dropping, adding, or changing a course after the regular matriculation period.

A Physical Examination Fee of \$1.00 is charged for taking the examination after the regular period for this is past. Taken at the assigned time, it is free.

A Vaccination Fee of \$1.00 is charged for the vaccination by the university physician at any time. The student is urged to be vaccinated before entering, however, and to bring a certificate.

For Advanced Standing Examination or any Special Examination a fee of \$2.00 per subject is charged.

For Fine Arts (Music, Art) Fees consult that part of the catalog. Regular class work is included in tuition as above. Special charge is made only for private lessons.

Chemistry Breakage Deposit.

All chemistry courses require a breakage fee of \$5.00 per year, except organic courses, which require a deposit of \$10.00 per year. This fee is refundable at the end of the year, less breakage. A student whose breakage reaches the maximum of his deposit before completion of the course will be required to pay this breakage, leaving his deposit intact. If a student drops any of the above laboratory courses there is no refund on laboratory fees paid.

Ministers' and employees' children over 21 years of age will pay regular rates.

Rates Are Cash in Advance.

Patrons whose finances require it may make application for exception. Such applications should be made at least ten days prior to matriculation. If allowed, any deferred payments must be closed in notes bearing interest from date of matriculation at six per cent. Such notes must be met promptly at maturity; failure to do so subjects the student to dismissal from classes, without notice.

COURSES OF INSTRUCTION

Explanation of Markings.—Courses numbered from 10 to 19 are for freshmen, and if taken by juniors or seniors are allowed only two-thirds their regular amount of credit. Those numbered in the 20's are sophomore courses, and when taken as required courses by seniors are allowed only two-thirds credit. Those in the 30's are junior courses, and those in the 40's are junior and senior. Those in the 50's are for graduates and seniors only. Those in the 60's for graduates only. Courses in the Brite College of the Bible beyond the 60's are for those who are taking the B. D. degree after having taken the required bachelor degree.

A student may not, as a rule, enroll for a course higher than his rank.

At least 30 semester hours of the 120 for graduation must be in the 30's, 40's and 50's.

The value of the course is indicated by the number; if less than 100, it is a six semester-hour course (a and b combined); if 100 to 200, it is three semester hours; if more than 200, the hundred digit indicates the value, i. e., 412 is a four semester hour course.

A course subdivided into a and b may, for special reasons, be credited for one semester without the other; but it is expected to be taken as a year's unit.

All courses numbered below 100 and not divided into a and b, must be taken for the full session of six semester hours in order to obtain any credit.

Each course runs for the entire session of two semesters unless definitely stated otherwise.

The letters following the names of the courses indicate the days of the week, and the figures the hour of recitation. Each class period is one hour in length.

DEPARTMENT OF BIBLE AND RELIGIOUS EDUCATION

Professors Colby D. Hall, F. E. Billington, S. W. Hutton Associate Professor James H. Dougherty Assistant Professors Granville T. Walker, B. A. Crouch

Required for any Bachelor's degree, 6 s. h. in "Bible," 3 of which may be Bible 120, the remaining 3 must be advanced (30's, 40's, 50's).

Prospective ministers should consult the section of this catalog headed Brite College of the Bible, for instruction and advice concerning their undergraduate curriculum. A separate catalog is published for the graduate or "Seminary" courses leading to the B. D. degree.

133. CHRISTIANITY IN HISTORY

M. W. F. 8:00.

Spring.

Prerequisite: Bible 120, or 123; advised 130 and 122.

This course aims to take the Christian idea, as expressed in the New Testament (and presented in other courses) and trace its expression, modifications, and effects in the social order down through the centuries, as a background for a more accurate and scientific estimate of its value applicability and program for the present. Not the church as an organization, but the Christian idea, is followed. Designed for Christian

workers or students of history.

143. LITERATURE OF THE OLD TESTAMENT

T. T. S. 8:00. Spring.

3 semester hours.

Mr. Walker.

Open to seniors only.

Brief survey of the kinds of literature in the Old Testament compared with other ancient literature. Close study of many Psalms, certain minor Prophets, and the Book of Job.

39. GENERAL SCIENCE FOR TEACHERS (ED. 39) 6 semester hours.

An evening class for teachers, given in 1940-'41 and alternate years.

(See description of the course under Education 39.)

141. THE TEACHING OF ELEMENTARY BIOLOGY

Members of this class serve one day each week as extra demonstrators in Biology 11 and share in the department conferences.

Required of all majors in biology.

50. Assigned Problems in Biology

For seniors with a point index of 2.000 or higher. Fifty clock hours of laboratory and field work are required for each semester hour of credit.

60. ADVANCED ASSIGNMENTS IN BIOLOGY These are clock hour assignments of designated field and laboratory problems, limited to graduates.

GEOLOGY

Requirements for a Major in Geology:

Major-30 semester hours in geology.

Minor-18 semester hours in biology or chemistry.

Prescribed—A year each of biology, chemistry, mathematics and physics. A comprehensive examination is required in the senior year.

- 18. GENERAL GEOLOGY

 W. F. 8:00 and M. or W. 1:00 to 4:00. Session.

 This is a prerequisite to any other course in geology.

 An introductory course dealing briefly with the more important aspects of physical and historical geology. A cultural rather than a professional course.

 144. CRETACEOUS GEOLOGY

 T. Th. 10:00.

 Not offered in 1940-'41.
- 52. Assigned Problems in Geology 6 semester hours. For seniors with a point index of 2.000 or higher. Fifty clock hours of field and laboratory are required for each semester hour of credit. The assignments will vary with the needs and desires of the classes. Previous studies include micropaleontology, mineralogy and field problems.
- 155. GEOLOGICAL DRAFTING AND PROJECTION 3 semester hours.

 Hours to be arranged. Fall or Spring.
- 60. ADVANCED ASSIGNMENTS IN GEOLOGY

 These are clock hour assignments of designated field and laboratory problems, limited to graduates.

MEDICAL TECHNOLOGY

The demand for trained medical technologists has increased to such an extent that Texas Christian University is offering a course in this field. The student will do his fourth year's work in the Harris Memorial Methodist Hospital of Fort Worth.

Full details of the professional courses may be obtained by writing to the Hospital. The work of the first three years is outlined in Table IX on page 34.

DEPARTMENT OF CHEMISTRY

Professors J. L. Whitman, Head of Department, and F. W. Hogan

Requirements for a Major in Chemistry:

Major—30 sem. hrs. in chemistry, regularly including 11, 25, 34, 45, 141.

A major in chemistry is given with the B. A. degree only.

Minor-18 sem. hrs. in biology, geology, mathematics or physics.

Prescribed—Mathematics 13 and 22, Physics 11; and French or German, preferably the latter, as the foreign language.

Note.—When chemistry is offered as a first minor, it will include 25, and 34 or 45. Enrollment in any advanced course is conditioned on a grade of C or better in the preceding course. Chemistry 11 is prerequisite to all other courses in the department.

11. GENERAL INORGANIC CHEMISTRY
Lectures M. W. F. 10:00.
Laboratory M. or W. 1:30-4:30.

DEPARTMENT OF MATHEMATICS

Professor C. R. Sherer, Head of the Department Assistant Professors Elizabeth Shelburne, J. F. Evans Instructor H. J. Jones

Requirements for a Major in Mathematics:

Major-B. A. degree 24 semester hours.

Courses 129, 130 are not included. At least 12 semester hours must be of junior or higher rank.

Minor-18 semester hours in chemistry or physics.

The department may recommend others.

Prescribed—Physics 11, French or German as the foreign language; Math. 130 for teachers. Substitutes must be approved by the department. A comprehensive examination during the spring semester of the senior year.

The amount of mathematics required for any degree will be found stated under the "Requirements for Graduation."

Those who wish college mathematics should register for mathematics 12ab or 13ab in their freshman year. This is especially true of those who choose mathematics or a science for a major, or mathematics for a minor, since mathematics 13ab is a prerequisite for all advance courses in mathematics. Those who enter with more than three units of high school mathematics should register for Mathematics 13.

12ab. Freshman Mathematics (social science, pre-law, business

administration students) 6 semester hours.

Session. Staff.

M. W. F. 8:00, two sections. Session. T. T. S. 10:00, three sections. Session.

M. W. F. 9:00 12b, one section. Fall.

M. W. F. 9:00 12a, one section Spring.

Prerequisite: Two units high school mathematics

This course is designed to meet the needs of students in social sciences, business administration, pre-law, and education. It is a study of the essential principles of algebra and trigonometry, and their application in insurance, statistics, and graphical methods. Mathematics of finance (formerly known as Math. 117) will be incorporated in this course. It is not a prerequisite for advanced courses in mathematics.

13ab. FRESHMAN MATHEMATICS (science and mathematics students)

8 semester hours. Staff.

T. T. S. 9:00, two sections. Session.

T. T. S. 11:00, one section. Session Laboratory, M. or Th. 1:30-3:30.

T. T. S. 11:00, 13a, one section. Spring.

Laboratory, M. 1:30-3:30.

Prerequisite: Two units h. s. mathematics (three units preferred). This course is designed to meet the needs of students in science and mathematics. It is a combination of college algebra, trigonometry,

analytical geometry, and elementary calculus. Graphics (formerly known as Math. 125) will be incorporated in this course. It is a prerequisite for all advanced courses in mathematics.

- 14ab. FRESHMAN MATHEMATICS
 Offered in the summer session only.
 Prerequisite: Same as mathematics 13ab.
 This course is the same as mathematics 13 with the laboratory period omitted.
- 14x. FRESHMAN MATHEMATICS (LABORATORY) 2 semester hours.

 M. Tu. 1:30-3:30:

 Prerequisite: Mathematics 14.

 This course and mathematics 14ab make the equivalent of mathematics 13ab.
- 22ab. CALCULUS

 T. T. S. 8:00.

 Prerequisite: Mathematics 13ab or special permission.

 Required of all those majoring in mathematics, physics, or chemistry.

 The course includes the fundamental theory of the differential and integral calculus and its application to the natural sciences. Sufficient analytical geometry is given to enable the student to understand the calculus.
- 129. DESCRIPTIVE ASTRONOMY
 Offered if sufficient demand.
 Prerequisite: 6 semester hours of mathematics with B average or by permission.
- 180. The Teachings of Secondary Mathematics 3 semester hours. Hours to be arranged. Spring. Mr. Sherer. Offered in 1941-'42 and alternate years.

 Prerequisite: 12 semester hours of mathematics.

 For those who expect to teach in the high school. Observations will be made in the schools of Fort Worth. A paper on some phase of the subject will be required.
- 131. ADVANCED ANALYTICAL GEOMETRY

 M. W. F. 9:00.

 Prerequisite: Mathematics 22ab or by permission.

 A detailed resume of the conic sections, the general equation of second degree, locus problems in plane analytical geometry. The fundamental concepts of solid analytical geometry and an introduction to differential geometry.
- 182. ADVANCED ALGEBRA AND DETERMINANTS

 M. W. F. 9:00.

 Spring.

 Prerequisite: Mathematics 22ab or by permission.

 Selected topics in the theory of equations and in the general theory of determinants and matrices. A general study of infinite series with special emphasis upon tests for convergence or divergence.
- 133. COLLEGE GEOMETRY

 Offered in the summer session only.

 Prerequisite: 12 hr. math. or secondary teaching experience.

 This course is a study of intuitive and demonstrative geometry similar to that in secondary schools but beginning where high school geometry ends. It should provide a valuable background for efficient teaching in high school.

REQUIRED PHYSICAL EDUCATION FOR MEN

Thomas Prouse, Head of the Department

Requirements in Physical Education, both men and women:

Physical education is required of every freshman and sophomore; it is optional with juniors and seniors; but two years' credit in physical education will be required for graduation, in any case.

For each semester in which the physical education requirement is failed or omitted, one semester hour of college credit will be subtracted from the permanent record of the student, as a penalty, but in any case two years will be required for graduation. (In practice, each 15 semester hours, as earned, will be considered a semester.) Band may be credited as P. T. in the Fall, but not in the Spring.

A. FIRST YEAR PHYSICAL EDUCATION

All freshmen unable to show proficiency in swimming are required to take swimming for one semester and should register for one of the swimming classes below.

Team Sports: Tag football, speedball, basket ball, track, baseball, and swimming will constitute the activity program for the first year classes.

M. W. F. 10:00, Team Sports, Gym Team Sports.

M. W. F. 12:00, Elementary Swimming, fall.

T. T. S. 9:00, Elementary Swimming, fall; Team Sports, spring.

T. T. S. 11:00, Team Sports, session.

B. SECOND YEAR PHYSICAL EDUCATION

All sophomores may select the activity in which they are most interested from the courses listed below.

M. W. F. 12:00, Tennis, Volleyball, fall; Volleyball, Golf, spring.

M. W. F. 12:00, Advanced Swimming and Life Saving, spring.

T. T. S. 10:00, Boxing, Handball, session. T. T. S. 11:00, Team Sports, session.

Grades in physical education will be based upon attitude, knowledge, and skill tests in the sports taught.

Re

14

1

C. A modified program of activities will be provided for all who are not able to take the regular class work. Hours will be arranged.

D. INTRAMURAL ATHLETICS

The purpose of this branch of the physical education department is to encourage the men of the student body to participate in organized athletic sports and in wholesome, active recreation. A wide variety of sports is offered.

One semester credit is given in physical education for 250 "participation points" in intramural athletics. Full information in regard to the intramural program is given in the Handbook of Intramural Activities.

REQUIRED PHYSICAL EDUCATION FOR WOMEN

Helen Walker Murphy, Head of the Department.

M. W. F. 9:00, Team sports.

M. W. F. 11:00, Folk dancing.

M. W. F. 12:00, Sports.

M. W. F. 1:00, Golf and horseback riding.

T. T. S. 9:00, Dancing, tap and character.

T. T. S. 10:00, Tennis.

T. T. S. 11:00, Tennis.

T. T. S. 12:00, Advanced dancing.

T. T. 2:00, Swimming.

T. T. 3:00, Advanced swimming.

A modified program of activities will be provided for all who are not

able to take the regular class work. Hours will be arranged.

Women's Sports Association takes the place of the intramural program. A wide variety of activities are sponsored by this organization to give all women of the University an opportunity not only to participate in tournaments but to learn certain sports they desire. Letters are awarded for 100 hours of "participation points."

Regulation gym suit and shoes are required for all classes. A costume is required for the May pageant.

A Pre-Junior test in sports is required of majors in P. E. Those failing this test must take three years of physical training.

DEPARTMENT OF PHYSICS

Professor Newton Gaines, Head of the Department Assistant Professor Julian F. Evans

Requirements for a Major in physics:

Major-30 semester hours in physics, including Physics 140.

Minor-18 semester hours in mathematics, chemistry, or geology.

Prescribed—Mathematics 14 hours, chemistry 8 hours, and German or French as the foreign language, German preferred. A comprehensive examination is required in the spring semester of the senior year.

11. GENERAL PHYSICS

THE BRITE COLLEGE OF THE BIBLE

The Brite College of the Bible is a "theological seminary" and one of the constituent colleges of Texas Christian University. It has its own charter and Board of Trustees, and its own building on the campus of the University. The college was chartered and its building erected in 1914, made possible by the funding of Mr. and Mrs. L. C. Brite of Marfa, Texas.

It offers a three-year curriculum which requires a Bachelor's degree for entrance, and leads to the degree of Bachelor of Divinity. Its courses may be used by ministers' wives toward a Master of Arts degree granted by the University. Full information is provided in its separate catalog, which will be sent, on request, by the Registrar of T. C. U.

The prospective minister who has not yet received a Bachelor's degree should follow, in general, the "Pre-ministerial" course suggested below. The Dean and the teachers of Bible in the College of Liberal Arts and in the Brite College of the Bible will advise and counsel with him.

A student receiving a ministerial scholarship is required to have 12 to 18

s. h. of Bible and is expected to have 6 s. h. of Rel. Ed.

In order to secure the broad cultural base he needs, he should major and minor in some of the social science fields or philosophy or English, saving his specialization in religion for the maturer B. D. curriculum. The separate catalog of the Brite College of the Bible contains a completer discussion of the undergraduate curriculum.

SCHOLARSHIPS FOR MINISTERIAL STUDENTS

To qualify for ministerial aid, the student must furnish from the proper official body of his church organization, a statement endorsing him as a candidate for the ministry.

A General Ministerial scholarship will be given to a young man so endorsed, amounting to half his tuition. For one carrying a full load this would be \$50.00 a semester.

A Disciple Scholarship will be awarded, in addition to the above, to those ministerial candidates coming from "Christian Churches" (Disciples of Christ) because the funds have been provided for that purpose. For the boarding student this will be \$52.00 per semester; for the day student, \$25.00 a semester.

In every case, the student will execute a note for the amounts, payable

only in case he does not follow out the ministry.

Wives of ministers are given the same rates and privileges as their husbands.

Women who aspire to church service are welcome into the fellowship and activity of the ministerial group. The percentage of these who actually enter religious work as a vocation is so small, that it has been found wise after many years of experience, not to put the women under obligation to enter the service professionally. Hence what aid is rendered such young women is in the form of jobs, and they are expected to be of voluntary service in the churches, but not necessarily to enter professional service, and are not obligated to repay any of the funds.

Obligations of the student. Each student accepting one of these ministerial scholarships will be expected to be engaged in some specific service in a religious program. This may be preaching, or teaching a class, or leading a choir, or working in some missionary office, etc. These places may be arranged by the student himself, in any church, but it will be reported, and, in a measure supervised by Mr. Perry Gresham. This service will not be in return for benefits, but for the practical training of the student and as part of his education.

Each student is due to enter into the organizational life of the group, by attending the B. C. B., the Chapel, and such other meetings as fit his rank.

Preaching Appointments must all be made through the office of Mr. Patrick Henry, Student Counselor. The time when a student may begin preaching varies with maturity and experience but usually not before the senior year or at least the junior.

MINISTERIAL RATES

A Library deposit of \$5.00 a Room deposit of \$6.00, (if in the dormitory) will be put up by each student on entering for the first time. See page 37 for details on all fees.

Any student rooming in the dormitory and boarding out, will pay \$2.50 per week for room, and \$7.50 per semester for medical fee.

For students in the dormitory:

For students in the dormitory:	Spring
Board, room, tuition, medical fee, and student publication fee, less allowance for General	
Scholarship, and Disciple Scholarship\$146.50	\$140.50
For students not in the dormitory:	
Tuition and student publication fee, after deducting General Ministerial Scholarship	50.00
Tuition and student publication fee, after deducting

Biology 11 or 12 required for all majors in education.

An Employment Service, under the Director, aids in securing positions for present or former students. To cover a portion of the cost, a fee of \$2.00 is charged for registration.

Teachers Certificates are issued by the State Department of Education on work done in T. C. U. Students planning for Certificates should follow the advice of the Director in each case. The following is a condensed statement of the Certificates most used.

For Two Years of College Work (60 semester hours) including 12 semester hours in education, six in English and government 128, there will be issued: (1) a first class elementary certificate valid for six years, or (2) a

first class high school certificate valid for four years, provided one course bears on high school teaching.

For Three Years of College Work (90 semester hours) including 18 semester hours in education, 12 of which are in field of secondary education, six of which must be Education 141 and 142, there will be issued a first class high school certificate valid for six years.

For Four Years of College Work, i. e., graduation, including 24 semester hours in education (selected on advice of department) may be issued a permanent high school certificate. For the degree, with twelve semester hours in education, six of which must be in the secondary field, and three years of successful teaching a permanent certificate may be had. A permanent elementary certificate may be had by adding five years' experience to the six-year elementary certificate; and each additional year of college work will substitute for a year's experience. Further details may be had on application.

Elementary education majors who desire the permanent high school certificate are required to obtain eight semester hours in secondary education including two semester hours in practice teaching. Practice teaching should be done in the elementary school. Elect 141, and two other secondary education courses.

The State Superintendent of Schools has ruled that a minimum of twelve (12) semester hours in elementary education is required to teach in the elementary school.

Special Certificates to teach the special subjects of home economics, commercial subjects, public school art, public speaking (expression), physical training, public school music, or foreign languages, will be granted by the State Department of Education to the student who has met the college entrance requirements, and has completed the subjects required by law. A three years' special certificate, good to teach in any public school in Texas, requires 60 semester hours, which must include 6 in English, 6 in education, 6 in the special subject, and 2 in methods of teaching the special subject, and 6 in American government. A four-year special certificate requires 90 semester hours, including 18 in the special subject, 6 in English, and 6 in education, and government 128, or any other six semester hours in American Government.

THE T. C. U. RADIO STUDIO

The T. C. U. Radio Studio is located in one of the music department studios. Over 150 programs are broadcast each year over KFJZ and WBAP, Fort Worth, Texas. Music and dramatic students are given excellent training and experience in radio technique without extra cost. College credit is offered in two specialized courses in radio technique. (See Department of Public Speaking page 75 for details.)

MUSICAL LITERATURE

A large library of recorded musical masterpieces and scores are available for listening, study and research. These materials may be used without extra charge.

MUSICAL INTEGRATION

The new educational ideal of integrating music with academic subjects for the music major is a distinctive feature of music education at Texas Christian University.

DEGREES

The Bachelor of Arts, with a major in music, or art, is advised. The Fine Arts constitute a part of the best culture of the race and deserve a recognition in this old classic degree. It is, besides, the essential foundation for a professional degree that might follow. The curriculum is shown below.

The Bachelor of Music is reserved for a very few who, after trial, prove to have the capacity for a professional career, for this degree is strictly professional. The curriculum is a modification of the B. A. given below, with 90 semester hours of music. It will be arranged by the director of the faculty for those interested.

THE CURRICULUM FOR THE DEGREE OF BACHELOR OF ARTS, WITH A MAJOR IN PUBLIC SCHOOL MUSIC, APPLIED MUSIC OR THEORETICAL MUSIC

Entrance Requirements: The same as for any B. A. degree. See full details under entrance requirements. Briefly, it is graduation from an accredited high school with 15 accredited units.

Required Subjects: These are the same as for any B. A. degree. Briefly they are: science (physics) 3 hours, Bible 6 hours (3 advanced), English 12 hours, a foreign language 6 or 12 hours, a social science 6 hours, philosophy or psychology 3 hours, total 39 semester hours (or 45 if the foreign language is begun in college), and two years of physical education. The details should be observed on page 36.

REQUIREMENTS FOR A MAJOR IN MUSIC ON THE B. A.

Major—24 hours in music of which 12 hours must be numbered in the 30's and 40's.

Minor-18 hours in a foreign language, English, history, philosophy, psychology or in public school music, education.

Required: The student must qualify by credit or test for entrance into the freshman course of either piano, voice, violin, organ or orchestral instruments.

Limits: A minimum of 60 hours "literary" credits; not more than 24 hours may be credited in applied music, and 12 hours of this must be done in residence. A total of 60 semester hours of music may be credited toward the degree.

The General Regulations and standards of the University apply in the School of Music. Music students are required to attend the regular student recitals sponsored by the music faculty.

Table Showing Curriculum.—The first two years as shown below are well defined, but the junior and senior years will vary according to the choice of major and minor, and electives. The subjects may be rearranged under the advice of the director of the department and the Registrar.

COMBINATION COURSES

Combination courses in music and art, music and dramatics, or music and physical education are offered. Information regarding these courses will be sent upon request.

APPLIED MUSIC

The courses in Piano, Violin, and Voice are graded by the accepted national standards. Advancement and credit will be given when the student has mastered the grade of work assigned in the curriculum and tested by the staff examinations, which come every nine weeks. The work is measured so that the majority of students will need a college year for each course, but some may take longer. If others can master it sooner, they may do so. All orchestra and band instruments may be studied for credit in applied music on the same basis as piano, voice, violin or organ.

It is assumed in each case that the student will pursue the B. A. curriculum with a major in music. After a year or two of work, a student of exceptional musical talent may be admitted to the professional curriculum of the B. M. In that case, each course in applied music gives more credit and requires very much more practice.

PIANO

For admission to the college course in Piano, a student should be grounded in correct touch and reliable technique, and play the major and minor scales, and have studied standard etudes such as Czerny, op. 299-1, Heller, op. 45, 46, the Little Preludes of Bach, Loeschhorn, op. 67, and compositions corresponding in difficulty.

Advanced standing will be granted students from accredited institutions, or by examination.

Instrumental ensemble will be required of all students with piano as a major.

- 11. FRESHMAN PIANO

 Selected etudes from Czerny, op. 299; Berens, op. 61; Heller, op. 47.

 Preludes and two-part Inventions by Bach. Sonata, Beethoven, op. 10-1, op. 10-2; Mozart, in F. Major, No. 4, or others of equal grade. Compositions and technic to suit the need of the student. Instrumental ensemble, duet playing. Two recital appearances.
- 21. Sophomore Piano
 6 semester hours.
 Etudes chosen from the works of Cramer, Czerny, op. 740. Three-part
 Inventions by Bach and Preludes from the Well-Tempered Clavichord.
 Sonata, Haydn, in E. flat; Beethoven, op. 2-1, op. 14-1, op. 14-2; Mozart,
 in A major, No. 9, or others of corresponding grade. Compositions and
 technic. Instrumental ensemble, four-hand piano arrangements of symphonies and overtures. Three recital appearances.
- 31. JUNIOR PIANO
 6 semester hours.
 Clementis Gradus and Parnassum. The well-tempered Clavichord and
 Suites by Bach. Moscheles, op. 70. Octave Studies by Kullak. Sonata,
 Beethoven, op. 53, op. 57, or equivalent. Repertoire of classic, romantic
 and modern compositions. Instrumental ensemble, piano with various
 string combinations. Joint recital for senior standing.
- 41. Senior Piano

 Selected etudes of advanced grade by Rubenstein, Phillip, Moszkowski,
 Chopin and Liszt. Concerto and ensemble playing. Concert pieces by

standard American and foreign composers such as Grieg, MacDowell, Chopin, Schumann, Brahms, Liszt, Debussy, Ravel, and others. Instrumental ensemble. Chamber music for piano and string instruments. Individual senior recital.

VOICE

For entrance to the collegiate course, the student should possess a voice of pleasing quality with promise for development, some musical intelligence with a knowledge of the rudiments of music.

Those who major in Public School Music must have as much as 4 semester hours credit in voice, or its equivalent as proven by examination. This standard is represented by the course, Voice 111, which may be obtained by private or group voice lessons.

Advanced standing will be granted students from accredited institutions or by examination.

Repertoire classes are conducted at regular intervals, without extra charge to regularly enrolled voice students.

- 11. FRESHMAN VOICE

 Breathing exercises developing bodily poise and the coordination of physical, mental and vocal forces for the production of tone. Scales and arpeggios. Songs selected according to the needs of the student from the early Italian, Old English and modern American songs. Concone or Sieber studies. Two recital appearances.
- 21. SOPHOMORE VOICE

DEPARTMENT OF ART

Professor Samuel P. Ziegler, Head of Department Lorraine Sherley, Lecturer in Music, Art, and Aesthetics

The Brushes. "The Brushes" is an art club which is affiliated with the American Federation of Art. It has for its object the furtherance of the art interests of the University.

Art Galleries and Exhibitions. There will be an exhibition of student work at the close of each semester. The final exhibition, held during the last two weeks of the school year, will contain selected work from all the work done throughout the year. Original work by the instructors will be shown from time to time. Outside exhibitions will be brought in frequently as an educational feature.

The art gallery at the Fort Worth Art Association contains a permanent collection of American paintings.

There are also special exhibitions of the best work by contemporary painters of America held during January. An exhibition by painters of the Southwest, one by Texas artists, and a Fort Worth show, together with exhibitions by individual nationally known painters form the major art activities. Each year artists of national reputation visit Fort Worth and lecture upon current subjects, thus creating a stimulating art atmosphere.

Art Library. The art library contains many books, magazines, and reproductions. It is planned as a reference library, and attention has been given
to the selection of books of cultural value together with technical handbooks,
blographies, history, and general art topics.

Students furnish their own material, except easels and drawing boards. The finished work of students is under the control of the department until after the spring exhibition. The school reserves the right to retain an example of the work of each student done during the year.

THE EVENING COLLEGE

A broad curriculum in business is offered by the Evening College, which is a distinct administrative unit of the University, yet closely identified with the School of Business. Evening College courses in business are announced below under "Courses of Instruction." For complete course descriptions and schedules, the separate Evening College catalog should be consulted. Evening College courses are on full residence credit basis and acceptable toward the several degrees. They include many specialized and practical courses, thus providing an opportunity for specialized preparation for the line of business the student intends to enter.

In addition to the courses leading to the B. S. in Commerce degree, the Evening College provides curricula leading to Certificates in Accounting, General Business, and Secretarial Science. These curricula cover two years of college work, which may be completed by attending class on a part-time basis in approximately four years. They include the essential business and related courses, and a limited choice of electives.

EMPLOYMENT BUREAU AND BUSINESS CONTACTS

The School of Business maintains an Employment Bureau which has

and and, of T been highly successful in providing part time work for students and full time employment with leading local and national concerns for graduates.

Every effort is made to maintain close and friendly relations with Fort Worth business interests. Frequent trips are made to the leading industrial and commercial enterprises, and Fort Worth business leaders give frequent lectures in the various classes.

T. C. U. CHAMBER OF COMMERCE

The T. C. U. Chamber of Commerce is the official student body organization of the School of Business. It seeks to do for T. C. U. what Chamber of Commerce organizations do for their communities. At the same time it acquaints the student with the activities of Junior and Senior Chambers of Commerce and provides preparation for future civic responsibility and usefulness.

The T. C. U. Chamber of Commerce is affiliated with the National Intercollegiate Chamber of Commerce, thus giving its members the opportunity of exchanging ideas with members of similar organizations in other universities. The T. C. U. Chamber is also endorsed by, and coöperates with, the Fort Worth Junior Chamber of Commerce and the Fort Worth Chamber of Commerce.

Among the activities of the T. C. U. Chamber of Commerce are the following: coöperation with the Employment Bureau in obtaining part-time work for students enrolled in the School of Business and full-time employment for graduates, supervision over all social activities of the School of Business, sponsoring of the annual all-university "Ranch Week" at the close of the fall semester, maintaining and extending contacts with Fort Worth business men and business organizations, sponsoring the annual T. C. U. Varsity Show, and, in general, participation in all activities contributing to the improvement of T. C. U.

THE EVENING COLLEGE

Alvord L. Boeck, B. A., M. A., Ph. D., Director

HISTORY AND PURPOSE

The Evening College is a distinct administrative unit of the University. Authorized by action of the Board of Trustees in February, 1936, the Evening College was organized during the following summer and opened in September. During the academic year, 1939-1940, approximately 700 were enrolled in the Evening College. This is almost double the enrollment of the first year.

The purpose of the Evening College is the extension of the facilities of T. C. U. into the evening hours and to downtown Fort Worth and other communities in order to make university education available to those unable to attend day classes. A separate Evening College catalog, available on request by writing the Registrar, Texas Christian University, describes all courses and gives complete information regarding registration, tuition, etc.

COURSES OF STUDY

The Evening College offers to the employed person every opportunity for study and advancement. The curriculum is based upon a careful selection of the required and popular courses in the various liberal arts and sciences as well as the professional schools. These range from freshman through graduate courses, thus making it possible for any person to begin, continue, or complete a college education. The more advanced courses are alternated, thus providing sufficient variety of courses to choose majors in many departments of instruction. From fifty to sixty courses are offered each semester.

In addition to the usual academic courses, specialized professional and vocational courses are also included. Designed primarily for employed persons, they also enable full time students of T. C. U. to include practical courses of study in their course schedules. Courses are open to those desiring credit toward degrees or certificates and also to those desiring courses on a noncredit basis.

DEGREES AND CERTIFICATES

Evening College courses are acceptable for credit toward the B. A., B. S., M. A., and M. B. A. degrees. In addition, certificate courses, covering two years of college courses in the principal required and major subjects, are available in accounting, general business, and secretarial science. A complete curriculum in Education provides courses leading to the several Teachers' Certificates issued by the State Department of Education. Other courses, such as pre-law, are also available.

FACULTY

The Evening College has a faculty of approximately forty-five, made up for the most part of full time faculty members supplemented by part time instructors to teach the more specialized courses in the vocational and professional fields.

A complete list of the Faculty appears in the Evening College catalog.

STANDARDS

Admission requirements in the Evening College are the same as those for other schools and colleges of the University. Most of the classes are on full residence and credit basis, acceptable for credit toward the several degrees. The same standards prevailing in the day classes are maintained in the Evening College, the same amount of time is required for class attendance and

study, and for the most part, the same instructors and textbooks are used. The Evening College maintains membership in the Association of Deans and Directors of University Evening Schools.

TIME AND PLACE OF CLASS MEETINGS

Classes meet in the late afternoon and evening hours, both on the campus and at downtown locations; in addition, some courses are conducted in nearby towns and cities. A downtown Office and Class Room location, located at 609 Taylor Street, is maintained for registration and class purposes.

SHORT COURSE DIVISION

In a further effort to serve employed people, a Short Course Division was established in 1939. During the academic year 1939-1940 over 2,000 persons in 20 or more Texas towns and cities were enrolled in the Salesmanship course alone. The Short Course Division is being expanded to serve other communities and other groups in Fort Worth.

STUDENT ACTIVITY

The official student body organization of the Evening College is the Evening College Students' Association, which functions through an Evening College Student Council, made up of one representative from each class. Through its committees, social affairs such as picnics and dances are arranged, lectures and entertainment provided, an employment bureau maintained, the Evening College News published, and other activities initiated and maintained, which provide a measure of student life and activity.

COMMITTEES

Advisory Committee: Dean Lord, Chairman.

Professors Hammond, R. A. Smith, Gayle Scott, Rebecca Smith, Herbert R. Mundhenke.

Examining Committee: Dean Lord, Chairman.

Students Major and Minor Professors, Faculty Representative.

The President and Dean of the University are ex-officio members of all committees.

ADMISSION

Graduates of colleges and universities of recognized standing are admitted to the graduate school.

Applications for admission must be approved by the Dean of the Graduate School. Applications from other institutions than Texas Christian University must file with the dean an official transcript of undergraduate work. Admission to the Graduate School does not necessarily imply candidacy for a degree.

REGISTRATION

Graduate students will register in the office of the Graduate Dean at the opening of each semester or summer session. The student's program of study must have the approval of the Dean and Major and Minor Professors. Work taken before such approval will not be accepted for graduate work.

PREREQUISITES

In all departments, a minimum prerequisite of twenty-four semester hours is required of all graduate students in their major field; six semester hours of such prerequisite must be in the 40's or 50's. A minimum prerequisite of eighteen semester hours is required of all graduate students in their minor field, six semester hours of such prerequisite must be in the 30's or 40's.

Credit by advanced standing to satisfy prerequisites for graduate work must be completed before the candidate is admitted to graduate work. Any student lacking prerequisites in a given field required for graduate work must immediately enroll in the course required to satisfy such prerequisites, and must obtain credit on the course before he will be granted credit in the graduate courses for which he has enrolled.

CANDIDACY

A student may become a candidate for a Master's degree only with the approval of the Advisory Committee. The applicant must fill out a blank form, provided for the purpose, which must be presented to the Dean at the time of registration. A B average on undergraduate work is required for candidacy.

DEGREE

The requirements for the Master of Arts or Master of Science are: A Bachelor's degree from Texas Christian University or from another institution of recognized standing. 2. Resident work in the University for at least 35 weeks. No work taken in absentia or by correspondence may count on a Master's degree. A minimum of 30 semester hours, and whatever additional work in any course a teacher may require in order to satisfy the requirements for the degree. The courses for the degree must all be of senior or graduate rank; must have been passed with a grade of B or more, and must have been taken after the completion of 120 semester hours for the Bachelor's degree. 3. The student must select a major and minor subject, the combination to be approved by the Dean and major and minor professors. Ordinarily the major subject should represent about three-fifths of the entire course. 4. The thesis subject must (1) be approved by the major professor not later than two weeks following the student's acceptance to candidacy; (2) the thesis material must be gathered and the thesis developed under the guidance of the major professor; (3) if a research or problem thesis be chosen, for which a maximum of six semester hours' credit may be allowed, the student must show ability to do careful research work and to make use of available source material; (4) in a more general thesis, for which no semester hour credit is allowed, the student must show familiarity with the subject-matter of the field in which the thesis is chosen, and must show ability to investigate and to treat his subject with a fair degree of completeness; (5) it must indicate ability and accuracy in composition. The first draft of the thesis must be submitted not less than two months before Commencement Day. Two final copies of the thesis, approved by the student's major professor, must be in the hands of the Dean of the Graduate School before the student will be admitted to examination. Printed instructions as to the form of the thesis may be obtained at the office of the Graduate Dean.

EXAMINATIONS

All candidates for the Master's degree must take a final oral examination covering all work taken for the degree, including the thesis, before an examining committee composed of those under whom he has studied, with the addition of a faculty member appointed by the Dean of the University. The examination may not take place later than two weeks before Commencement Day. Any graduate student who fails in a final oral examination for the Degree will not be allowed to take another examination within nine months; the same rule will apply to a failure in any written examination in a graduate course.

TUITION AND FEES

For tuition rates and other fees consult the general statements for the University, page 37. The rates are the same as for undergraduate work.

Any person on whom T. C. U. has conferred the Master's degree may audit any course without charge, provided that the Registrar must endorse the course card: "M. A. (or M. S.) T. C. U., and date," and certify this to the Business Office and to the teacher. Such a student, of course, cannot be counted in any minimum required for a class.

COURSES OF INSTRUCTION

Courses listed below may carry graduate credit. Description of the courses will be found in the College of Arts and Science section of the catalog.

ENROLLMENT ON THE UNIT BASIS

The usual way of counting enrollment is to count each student once, if he is in any length of time during a twelve months' period. This is the Poll Count and is shown on the preceding page.

The poll count does not measure the student load, however, for a student may be in school six weeks or twelve or eighteen or thirty-six or even forty-eight, and some carry three hours and others fifteen.

The "National Committee on Standard Reports for Institutions of Higher Education" has recommended a basis for counting students on the "unit" basis. This allows for adding the fractional parts of time into units.

The "unit" of student enrollment is fixed as one student carrying a normal load (fifteen hours a week) for the academic year of thirty-six weeks. One carrying fifteen hours for one semester is considered one-half of a student unit. One making six semester hours in the summer term is one-fifth of a unit. One carrying a three-hour class in the Evening College for two semesters is one-fifth of a unit.

SUMMARY OF 1939-'40 ENROLLMENT ON THE UNIT BASIS

The student semester hours is the number of hours taken multiplied by the number of students taking them, totaled as on the opposite page.

*These are pre-college students, mostly children, taking music or art. Since they are not college students receiving college credits, they are omitted from the student semester hours and student units.

^{**}These students are taking non-credit courses. Since they are not receiving college credit for the courses, they have been omitted from the student semester hours and student units.

GRADUATE SCHOOL ENROLLMENT

The graduate students are included in the general summary on the preceding pages. They are repeated here separately, for the following reasons.

The great majority of them are part-time students, as will be seen from the detailed count on the opposite page. Those in the Evening College are naturally part-time. When each of these is counted as a student, it makes the number exaggerated, and makes the teacher load seem abnormally large. By analyzing them into units as is done below, a more true picture is given of the actual load.

Explanation: The "Student-semester-hour" is the number of hours carried multiplied by the number taking that many, and totaled. The detail is shown on the opposite page.

- *A "full-time student" for any one semester, is one carrying the normal load of 15 hours. Hence the number of such students is found by dividing the student semester hours by 15.
- **A "unit" for the session is one carrying the normal load for the session, i. e. 30 hours earned. Hence the number of "student units" for the long session is found by dividing the number of student-semester-hours by 30.

CLASS SCHEDULE FOR SESSION 1940-'41

Advanced courses, other than those scheduled, are offered by practically every department. Consult the heads of these departments in their respective offices.

The letter "B" prefixed to a room number means that the room is in Brite College; Gym, in the basement of the gymnasium; Biology and Geology "Labs" are in basement of Clark Hall; Chemistry "Lab" is in basement of Goode Hall. All other rooms are in the Administration Building.

First meeting of M. W. F. classes, Monday, September 16th. First meeting of T. T. S. classes, Tuesday, September 17th. For explanation of course numbers see page 40.
