Dear Mr. Carter -

Knowing what a terribly busy man you are, I hesitate to take your time, but at the same time, I also know through other people and your reputation have definitely interested you are in the well being of the soldiers and their close personal friends and relatives.

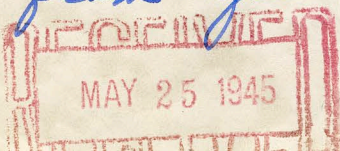

In a recent letter to me from Lt. Col. William V. Marty, he told me that he had the pleasure of showing you around the various installations R.A.M.P. Also, in this letter he requested that I contact you and explain that I saw the young lady from Wafabachee that he discussed <sup>with</sup> you. Perhaps you will recall that he spent eight months in Oklag 64 with your son.

Of course, it would mean a great deal to me to have the opportunity of a visit with you in this behalf, but I take this means of our primary introduction.

Also, I wish to thank you for the invitation you extended to Bill for us to be your guests when he returns.

If you see fit, I shall be very glad to hear from you.

Sincerely,  
Margaret Eddlemon
