Mrs. Joe K. Emerson,  
Handley, Texas.

Dear Mrs. Emerson:

In compliance with our telephone conversation, I am enclosing two copies of a set of pictures received by Mr. Carter from Lt. Meadows as I am sure Mr. Carter would want you to have these pictures.

I am sorry that I did not think of sending them to you sooner, but it was my impression that Lt. Emerson had been interned later than January of this year.

With best wishes, I am

Yours very truly,

Secy. to A. G. Carter.
