Department _____

Mrs. Emerson received a card dated January 11th (as did Mrs. Poteet) and Mrs. Emerson's husband said that he had heard from "Kenny" again and he thought he would move to a larger farm as he could not raise enough food stuff where he was. It was just a card and then he closed by saying he was going to run up to see Amon and Beasley.

Also: Mrs. Emerson received a letter from Colonel Hoskot in which he said that it was his opinion that all of the members of Oflag 64 had been liberated. He sent her a check payable to Joe Emerson for \$100.00 which he said was a bet he had lost on when the war would end. Said Joe Emerson bet \$200.00 to \$100.00 that it would not end last November.
