

WAR DEPARTMENT
Services of Supply
Office of The Provost Marshal General
Washington

March 11, 1943

The Provost Marshal General directs me to inclose a label which may be used within the date stamped thereon for the purpose of sending a prisoner of war or civilian internee parcel. Should you desire to use the label, it is suggested that the following mailing package instructions be strictly followed.

PACKAGE MAILING INSTRUCTIONS

Only one label at a time will be issued to the designated next of kin, or emergency addressee, to each American internee or prisoner of war officially reported. The label may be transferred to another person if so desired. Each label will be issued in duplicate. The original to be securely pasted on the outside of the package and the duplicate to be placed on top of the contents inside of the package in order that it may be removed by the postal censor. The label can only be used between the dates specified on the original label. Additional labels will be issued from time to time.

The contents of the package must be listed on Post Office Department Custom's Declaration, Form No. 2966, at the time of mailing. If this form is not available at your local post office, the contents may be listed on plain paper and attached to the package. No postage is required.

The weight of your package should not exceed 11 pounds, gross dimensions not over 18 inches in length, nor 42 inches length and girth combined. The package should not be sealed and should be wrapped in a manner which will facilitate opening for postal inspection.

The following articles only may be included in the package:
