Dear Mr. Carter:

I received a letter from Capt. Dick Sarrencia's Mother, who wrote telling me of the set of pictures you sent to her of Dick's funeral.

Dick was my husband's Lt. Anthony M. Graham, Captain, they were both P.O.W. in Camp Oflag 64. My husband wrote telling me about Dick's funeral, and he was one of the Pall-Bearers.

I am very anxious to see my husband's picture and I know he would be in one of the pictures you have, so would you be kind enough to send me

the negatives so I could have them developed, but if you don't love the negatives, could you send the pictures and I would return them.

If you have returned the pictures to Lt. N.G. Meadows, would you be so kind to write to him for me, and ask him to send them on to me so I could see my husband's pictures.

Thank you very kindly.

I am:

Yours Respectfully,

Mrs Anthony M. Graham
