

UNITED STATES MILITARY REPRESENTATION  
ALLIED CONTROL COMMISSION FOR HUNGARY  
BUDAPEST, HUNGARY

March 16 1945

Dear Amon -

I am on this Commission were located in Debrecen at the present and are getting many of the officers that have been prisoners of war. thru here.

Please let me know where Amon Jr. is, or has been, as he might show up on this side of the line and it might be possible for me to help him get back quicker.

This is interesting work but the country is in one hell of a shape after two armies have overrun it there are thousands of people dying from starvation. also many thousand dead on the streets of Budapest that have never been buried.

Hope you are well and have every well under control in Texas -

Sincerely yours  
Stagg
