MEH

Dear Mrs. Deakins -

So many changes have occurred to me in the last few weeks that my correspondence has fallen short of my usual record. For, since the war, I have tried to keep my letter writing up to date but it is, indeed, a problem.

You see, Ky. politics have changed (not for the better, I'm afraid) and as I knew a release would be in order for me, I resigned May 12<sup>th</sup> but

an answer for I was  
sure you were busy and  
would write when you could  
find time -

Now, about Anou jr? As yet, I  
haven't heard since Mar. 6<sup>th</sup>.  
That letter was dated in Jan.  
& since he's been a prisoner,  
either a card or letter has  
come to me about every  
eight or ten weeks. So, I'm  
really getting most anxious  
to hear again. I keep letters  
on the way to him - Try to  
write each day, although  
there is very little I can  
do.

stayed on in Frankfurt  
until the last of May as  
my apartment rent had been  
paid up to the last of month.  
I am now planning to spend  
June here at home, resting  
and getting caught up on  
several tasks here.

It was, indeed, a joy to hear  
from you again for I couldn't  
imagine what had happened  
that I didn't hear from you -  
However, I understand perfectly  
how very difficult it is to  
keep help in offices or any  
place now and thought

Do hope that the invasion  
in Europe is over soon and  
he can be released for he has  
been so brave. Know he's  
anxious to get home and  
to live a normal life, again  
I've worked on the scrap-  
book, that I'm keeping of  
him, to-night and it's amazing  
how much I have in it.  
It's really most interesting  
and I love it. Know he'll enjoy  
looking through it when he  
returns.

Do let me hear any news of him  
and I appreciate your letters so  
much.

Sincerely, Margaret E. Har
