

Dear Mrs. Deakins -

Your letter came to-day and I am happy that you like the "Deakins" Candy? Do hope it doesn't tempt you too much - So much that you'll gain lots --- Me - well, that wouldn't bother at all for I could stand several extra lbs.

Mrs. Deakins, after receiving your letter, I decided that perhaps it might mean some relief if I sent the lost card, from Amos Jr. on to you. So, I'm enclosing it when you write,

please return it as I want  
all of them for my scrap  
book of Amos Jr.

I'm continuing to write,  
with the hopes that  
some of them reach him  
wherever he is?

My Polio program is over  
& I'm quite relieved. We  
made about \$50<sup>00</sup> which  
isn't bad for Campbellsville  
we had a Wauwales Wedde  
and to see those men,  
dressed in formal — it  
was a scream. Tried to  
describe it all to Amos Jr.  
But it's so hard to write  
sometimes, for I can just

see him in all kinds  
of horrible conditions and  
just have to have a good  
cry sometime. Doesn't help  
matters but I can't help it  
some time. I do believe  
that if we all keep  
praying & hoping, God  
will bring him home  
soon. Woud't it be a  
glorious time?

Until then, any news  
I receive, I'll send it  
on to you and may you  
& his family soon receive  
encouraging news soon -

Sincerely -

Marg. E. Harding
