Mr. and Mrs. R. T. Henry,
3604 Baldwin,
Fort Worth, Texas.

Dear Ones: The May to July parcel arrived on Thursday to make me very happy. All was in excellent condition, and to have my glasses again is wonderful. The sweater, sox, and gloves are perfect, and I am so proud of them, give Edith, Gladys, Madoline and all a hug of thanks for me. Also the Boones for the blades. Am enjoying the food greatly and will try to make it last till my next parcel. Make all my other parcels all food and full eleven pounds. Am now looking for a tobacco and book parcel from that same period. Will drop Lib a card of thanks for her inclosures. Have you heard from her lately? I haven't, but am not worried so don't you. How is Virginia Tucker? Enjoyed dad's letter of 8/7 - Know the house, etc. are lovely. I hope to be there to enjoy it and you two by spring. So until I do keep my letters and parcels on the road. Am feeling grand, and taking vitamin pills regular - thanks for resupply, also saccharin. Send some tea too along with the cocoa, soups, breakfast food, cake mix, candy and gum. Glad you enjoyed Capt. Bergman's letter to Mr. Carter. Express my appreciation to him also. Amon, Phillip, Joe E., Paul Marable and all the other Texans here are O.K. and well, just anxious to get and be home. Again all my loving thanks to my most loving parents and friends for a truly grand parcel. Am saying my prayers and go to church regular. Always your devoted son.
