Dear Mrs. Deakins,

Mrs. Barron was in Austin a few days ago and informed me that some pictures had been sent from Lt. Carter of Oflag 64. My husband, Major Roy O. Irvin, is also a prisoner in this same camp. I wondered if it would be possible for me to get a print of all these pictures. I am very anxious to see them since Major Irvin mentioned that they had taken some pictures just about the time that these were made and I am sure he must have been in some of them.

Please give me any other news on the camp that you have available. Has Mr. Carter been informed of any moving of the boys?

Yours very truly,

*Mrs. Roy O. Irvin*
