

THE KAPPA SIGMA
FRATERNITY

OFFICE OF
BEAUFORD H. JESTER
Past - WORTHY GRAND MASTER
JESTER BUILDING
CORSIANA, TEXAS

June 1, 1944.

Mr. Amon G. Carter,
Fort Worth Star Telegram,
Fort Worth, Texas.

Dear Amon:

Please let me have Amon, Jr.'s address and also let me have the facts as to the time and place of his capture by the Germans.

I want this information for two reasons. I want his address so I can write him. I want the other data to use in a publication that our Kappa Sigma Chapter at the University of Texas is planning to publish and send to all the members who are in service and whose addresses we have and can get.

From the way the boys write in from all over the world to the Chapter, asking for news about the fraternity brothers they were in the University with, we know that these fellows are really hungry for news about each other. We want to satisfy the longing of these fellows by getting out a simply edited mimeographed letter or bulletin that we can issue from time to time.

This is being done in some of the Kappa Sigma chapters in other parts of the United States. When the boys get this letter, they always write back enthusiastically and their letters are then published in the next issue.

I think this is one of the finest things we can do for these fine fraternity brothers of ours who are in the armed services scattered all over the world.

I wish you would send me this information to the Railroad Commission office in Austin, as it is in Austin that this publication will be edited and sent from.

With all good wishes and best regards, I am

Yours very truly,

Beauford H. Jester
