

THE SECRETARY OF COMMERCE  
WASHINGTON

October 17, 1943

Dear Amon:

Your letter of the 9th received and noted with continued interest, also the newspaper clipping.

The best part of your letter was the photostat from Amon, Jr., notwithstanding everything is not as it should be. I was talking with John yesterday. He told me that he had just heard from John, Jr. and that within the last two weeks he had received 19 letters and two boxes, so it seems that the lines of communication are opening up after much delay.

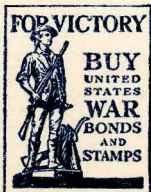

I will send your letter regarding the Midway Airport to the Civil Aeronautics Administrator for consideration, and your other letter to Norman Davis.

Trusting that you are well, and with best wishes always,

Sincerely,

A handwritten signature in cursive script, appearing to read "James".

P.S. I am very well.
