Dear Mr. Carter:

We were leaving for New York when the florist called telling me that you had ordered some flowers sent to me. They held the order over until

our return. The big box
has just come filled with
lovely spring flowers. I have
arranged them myself
the living-room quite good
with all the colors and
sweetness of them. I appreciate
so much your
thoughtfulness.

Jess and I are hoping
and praying for news
of our two boys - yours and
ours. I believe firmly that
this news will come to us
soon.

Very sincerely
Mary Gibbs Jones
