Mr. Anson G. Carter.

Dear Mr. Carter.

am writing you in regard
to information of released prisoners
in Germany. My son 7/0 Olive E Jopling
POW no. 3792. Stalag Luft #3 Germany
understood that as they were
released their names would be
called & parents notified. I would
like little information on this
am sure you have received
numbers of letters of this kind
but would surely appreciate
any information you could
give. Thanking you for your
kindness

yours truly
Mrs. O.E. Jopling
