

Sunday

My father and I want to  
thank Mr Carter again for  
his kindness in sending  
us the message from my  
brother. He had had some  
anxious days. However, when

The African Campaign began  
my father thought my brother  
still in Ireland. Then we  
received 5 letters dated Nov 6<sup>th</sup>  
11<sup>th</sup> and 13<sup>th</sup>. Since these  
letters we had heard nothing  
until your call.

On Saturday a letter from a  
friend in Washington said  
that all the Division must be  
in Africa by this time. Do you  
have more information about  
this than we, and if you do  
would you be good enough  
to write us.

During the last two days I have

heard mention on the  
Radio of convoys - which  
makes me think they may  
have landed.

Please tell Mr Carter  
we wish his son the  
best of luck -

Am sorry I didn't learn  
your name when you called.  
I was afraid the three minutes  
might be up. Thank you so  
much and Best Season Greetings  
Arlo Knapp
