Dear Amon:

Many thanks for your kind letter of the 4th. It was nice hearing that Amon, Jr. is well and that he is getting along as best he can under Nazi conditions. I am hopeful that this great hollacust will be over soon and that you will have him back again with you in Ft. Worth.

Needless to tell you that it will be a great pleasure to take care of Mrs. Al. Broderick and her mother. I have advised Jimmy at the door, through all the other gang throughout the house, and I am sure she will be well taken care of.

I hope you are enjoying the best of health and looking forward to seeing you at "21" soon, I am,

Most sincerely,
