Dear Mr. Carter,

I was interested to hear that you have recently arrived in London. If there is at any time anything which this Division of the Ministry can do for you in the way of arranging facilities, I hope you will not hesitate to let me know. I should very much welcome an opportunity to make your acquaintance if you ever happened to find yourself in this direction and have a few minutes to come and see me in Room 26 on the ground floor.

Yours truly,

R. V. Machell
