Dear Mr. Carter:

Mr. Crooks called me yesterday to find out if I could obtain for you a blow-up of the picture of American prisoners of war in Tunisia which appeared on Page 19 of the March 29th issue.

I have been able to get this from Acme Newspictures but, as you will see, even the blow-up is not very clear. I sincerely hope that you can find what you are looking for in this picture.

It is a great pleasure to have been able to procure this for you.

Yours very truly,

Alberta Lohden

Secretary to Mr. Muir
