

Thorp Spring - Texas.

May 27, 1895.

Dear Brother:

Yesterday I went with papa to Granbury to preach. It was the first time I had been outside the gate for two weeks. I enjoyed the ride very much - but it was must too much for one day, and I had the headache very bad last night. Feel all-right this morning, think I'll be well soon.

Only two weeks until the close - and we will be glad - very glad - yet a little sorry to see every one leave.

He can hardly wait for
the time for Pyon to come -
only a few weeks - it hardly
seems real.

Next Sunday is Children's
day, and I'm anxious about
our exercises. I've had to
leave most of the practice
to the management of others
and I can't feel it is as
well done as if I had been
there all the time. Papa
wanted me to give it up
when I got sick, but the
children did not want to.

Next Sunday is papa's
day at Comanches - and he
can't be here to hear the
children. He enjoys their
exercises so much - he can
hardly stand to miss them,

and he always begs so
on them I want him
to be here.

We look for Blanche this
week - don't know what day
yet - she may not come until
the first of next week.

Mr. F. G. Jones ~~some~~ will be
here some time this week -
for some reason he has not
written to me for over a
month.

Mr. Faris came home from
Houston and Galveston Saturday
and brought me some lovely
magnolia blossoms and
Cape jessamines. They are
so sweet.

Am going to try to go to
Granbury to day if I can.

Will certainly be glad when
we hear from St-. You may
have to put up with a \$50 or
\$60 position - perhaps a
country one. The positions
in cities and towns are
flooded with applicants.

Of course you and Carlie
can find something to do
if you should fail to find a
position to teach. Am still
hopeful that you will find
good positions.

Bro. Wilson will be here to
lecture this evening.

Excuse such a scribble.
Much love.

Yours -
Sister.
