Dear Papa,

I received your letter ^{from} Groesbeck several days ago but have not found time to write until now.

We are all well. We also recd you last letter yesterday.

It has been raining a little nearly every day this week.

Tuesday we had a very good rain. Brother and I went down to G-B. This morn, rode the ponies.

The pony seems much gentler than she used to, I can get up on her without any thing to stand on. I can lope her too.

Mr Babney got back from Ft Worth yesterday, he went to order things for the new house.

Bessie wants to go with you to S.P. but you need not come home just for her, for she need not go, and

I dont see how she could stay
away so long. She wants to go.

any of the other children dont
want to go.

Bessie & Roy wrote you a letter
to day.

We are anxious for Saturday
to come for we are looking
for grand-mother.

Letters still come for catalogues.
One came to day from Mexico,
Mo.

Roy is a very good and sweet
boy. Mr. Cat came here today
and Roy came in the house
and told him that he wrote
a letter to you.

Miss Alla Clark was married
last Sunday.

We will send you several letters
this time, almost afraid to send
them for fear you will not get
them. Well as I am very sleepy
I must close. Good-night,

Your affectionate Aunt

Jessie.

The yellow heifer came up
the other night.
