Fort Worth, Texas

My dear Mr. Carter:

A thousand apologies for not answering your very kind letter that I received quite some time ago. However, at the time, I was on a vacation and therefore since my mail was not forwarded to me, was kept until my return home.

The photostatic copy of Amon G's letter to you proved very interesting. A MILLION THANKS to you for the letter and photostatic copy of the menu. I'm so very proud of it and if at any time I can return the favor, don't fail to call on me.

My husband will return to Fort Knox next month. If he has any news relative to your son it will be transmitted immediately following his return to the States.

Thanks again, Mr. Carter, and I hope and pray that Amon G. returns with the least bodily injuries possible.

Very truly yours

Mrs. M. C. Maras
(Mrs.) M. C. MARAS, Jr.
