Mr. Amos G. Carter  
Fort Worth, Texas

Dear Mr. Carter

In reply to your letter of November 21, stating that you had received a letter from your son, Lt. Amos G. Carter, Jr., and in this letter, he mentioned my husband's name, Capt. K. C. Martin, Jr., which is such a consolation knowing that someone has seen him since his imprisonment and was able to write home about it.

Kirby was shot down June 16, shortly after that, I received a wire from Washington stating that he was mentioned in an enemy broadcast as being a P.O.W. The next day letters poured in from short wave listeners stating the broadcast, which was such a relief since I didn't have to face that first wire which so many do, "missing in action."  
I've received one German printed

card with Kirby's signature (printed). This card stated that he was being sent to another camp so I am sure he was about to leave Oflag 64 at the time he sent this. I just hope it won't be too much longer before I will hear from him again.

Kirby's father lives in San Antonio. I am sending your letter to him. He doesn't have much time to write, so I want to thank you and your son in behalf of Mr. Martin as well as myself in being so kind and considerate in writing as we are so anxious to hear any news concerning Kirby.

I do hope the boys will soon be home again.

Thanks again for your nice letter, thank your son for us too.  
I remain,

Sincerely Yours,  
Inez Martin  
(Mrs. K.C. Martin, Jr.)
