Mr. Carter:

The letter from Lt. Meadows explains some of Amos Junior's previous letters:

Your card dated May 6th, received July 31, in which he said, :
"After June 15th please get in touch with Mrs. N. J. Meadows, Opp, Alabama.
It might be best if you go and see her."

Then your letter of May 10th, received July 4th, in which he said:
"Please forget what I said last week about Mrs. Meadows. I will write later
about it."
