Dear Mr Carter:

First of all I want to thank you for the arrangements you have made so I can get the Fort Worth Star Telegram. My folks get the paper and then take it down to your office and the girls send it to me up here. I am not the only one who enjoys it. Several friends and boys on my crew here at the base and our outposts enjoy the news.

My Dad wrote some time ago that Amos Jr. was a war prisoner in Germany. I was sorry to hear that bad news. I used to work for the Star Telegram when attending Central High School.

If you will recall back in 1935 I was on the freshman football team at J.C.U. You and some loyal supporters of J.C.U. sent the freshman team down to New Orleans to the Sugar Bowl game in 1936, January 1st I will never forget this wonderful trip and our team won 3 to 2. See I have plenty to thank you for. Some day when this war is over

and I get back to the good old U.S.A.  
 I want to visit with you as I am  
 now finishing my education here  
 my mail through Texas Tech. Then  
 I will be ready to start out for  
 myself. The last two years I  
 attended T.C.U. I operated the  
 College Service Station for the  
 Continental Oil Company. I only  
 lacked twelve hours finishing  
 at T.C.U. In August 1941 I joined  
 the Army.

When you write Amos Jr. Tell  
 him I wish him all the luck in  
 the world. He will recall my sister  
 Catherine Morrissey as they went  
 to school together at Texas University  
 and both belonged to the Fort Worth  
 Club at Austin. Catherine's name  
 is Mrs H. D. Christner now; her  
 husband is a Lieutenant in the  
 Navy. They are stationed in Nevada  
 at present.

With loads of good luck  
 to you and best regards to the

folks in good old Fort Worth, and  
thanking you again for your  
kindness in making it possible  
for the boys and myself to  
have your wonderful paper and  
hoping that this conflict will  
be over soon and we will all be  
back with our loved ones  
soon, I beg to remain,

Sincerely  
T/Sgt Thomas F. Morrissey
