c/o Fort Worth Star-Telegram
Fort Worth, Texas

Dear Mr. Carter,

I am writing you to see if you have been able to learn any of the names of the officers who were freed from Oflag 64 by the Russians. My husband and I have a very dear friend who has been in Oflag for over two years and he has mentioned your son Arnan, Jr. in several of his letters. We would appreciate it very much if you could give us any information - It does look as if the War Department is just not going to release the names.

Our friend is Lt. Hollis B. (Sing)
Wood of Greggton, Texas. He was
at one time a sergeant in my
husband's company, Co. A. of the
144th Inf.

Please send any information
you may have to:

S/Sgt. J. A. Monroe
Co. A, 144th Inf.
Camp Swift, Texas.

Hoping for a speedy release of
both your son and our friend,
I remain -

yours very truly,
Mrs. J. A. Monroe
