

Thursday July 15, '43

Dear Mr. Carter.

Some time ago I wrote to you in regards to your son, Amos Jr.

I wonder if you had any further word from him.

I would like to write to him but I don't know how to reach him since he has been taken prisoner.

If I could have his address I would appreciate, since he was always so kind about writing to me.

Remember me to Amos when you write.

Thank You

Irene V. Offenburger
