Mr. Amon G. Carter,
Fort Worth,
Texas.

Dear Amon:

I am glad I wrote you as I did under date of June 30 because I have enjoyed reading your letter of July 3, particularly that part which pertains to Amon, Jr., as well as the story regarding him which appeared in the Star Telegram.

You will recall I told you when he was first reported missing that he would show up in a prison camp and talk himself out of it just as soon as he learned the language if needs be, and I see he is learning the language and I have no doubt but that the latter will follow.

I understand perfectly your position as regards selling your Gaines County property and why I was approached to take the matter up with you.

I am glad you took such good care of Earl Sinclair, and if any of the group ever is so fortunate to get to Fort Worth I am sure they will look you up for a free meal.

My health is excellent and I hope yours is the same.

With best regards, I am

Yours sincerely,

Jim
