Dear Sir:

I read in the Louisville Times Newspaper that you were in Europe touring the Prison Camps.

There was a picture of you and Lt Carter in the paper also.

Lt. James Carter Jr. was in the same Battalion with my husband, 1st Sgt Karl H. Pauck. They were captured the same day and in the same prison Camp Stalag 3B.

I was wondering if your son could give you any information about my husband. I haven't heard from him for so long. The last letter was dated January 7th 1945.

Do you know whether Lt. Carter knows anything about Sgt Pauck, if he was alright the last he saw of him and when that time was.

I would appreciate any information you could get for me. I am thanking you a million times.

Sincerely Yours
Hazel Pauck
