Mr. Cannon Carter,

Dear Sir:

I appreciate your keen interest and nice letter of sympathy in these sad hours. Everyone is so nice til it helps a lot. I can say the same words to you that you said to me. I am praying that you have already heard or will hear soon that your son is alive. I got a telegram the week of Feb. that my son was a prisoner so that was 9 months and 7 days of anxiety. He was on Corregidor. Everyone praises my courage. I know that Jesus has given me this courage. My oldest son is in camp Carson Colo. I have one son 22 and one 18 waiting to be called. Also have one son 14 and one 12 that might even see service. I pray for all of our boys
