

Dear Mr. Carter,

We want to rejoice with you over the good news of your son Arnon! Roy J is in wonderful spirits and has gained forty odd pounds since his escape. He is quite happy and is to be married May 12<sup>th</sup>. He will report at Miami Florida June 22<sup>nd</sup> for re-assignment. We are so happy for you and yours, and know from experience, your feelings at this time, for we anxiously awaited the return of Roy J to the States, which was April 6<sup>th</sup>. Here's hoping the war will soon end and our other son Arnon (who is in Belgium) and all of our American boys can return home. Thanks for your courtesies, we have appreciated all information -

Sincerely

Mrs. Roy J. Chappell
