Dear Amon:

I cannot tell you how happy I was when I saw the article indicating that your son had been liberated. I well understand what it means to you, and I know your numerous other friends were as delighted as I when they got the news. I sincerely hope and trust that no ill effects will show up in later life as a result of the hardships he must have experienced.

The pecans arrived and are delicious. You are always so kind and thoughtful, Amon, and it is hardly necessary for me to say that we are grateful.

With my very kind personal regards,

Sincerely yours,

JAF-w
