Mr. Amon Carter,
Shady Oak Farm,
Fort Worth, Texas.

Dear Amon:

I was in Fort Worth when the gratifying news came of your meeting with your son in France. Everyone in Fort Worth was talking about it and everyone shared your joy in finding him alive and well. My congratulations to you both.

I just returned this morning from that trip which took me on to California and on my return I found the tub of very delicious pecans from Shady Oak Farm. Thanks very much for them, and, if it is a lot of fun, as your letter says, to send them, it certainly is a lot of fun to eat them.

Sincerely,

H. L. Phillips
