Mr. Amon G. Carter,  
Fort Worth, Texas.

Dear Mr. Carter:

I was pleased to notice in today's Amarillo News, the picture of your reunion with your son in Germany on May 5.

I am sure that thousands and thousands of your friends join in that feeling.

From the picture, Lt. Amon looks like he is in good health, and I surely hope so. Hope he can get home soon.

Sincerely,

A handwritten signature in blue ink that reads "Garnet". The signature is written in a cursive style with a long, sweeping underline.

Garnet Reeves.
