Mr. Amon G. Carter,
Fort Worth Star-Telegram,
Fort Worth, Texas.

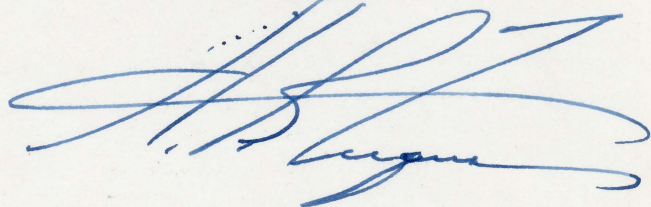

Dear Sir:

Sarena and I have talked a great deal about how fortunate you were to be able to make your trip to Europe at this time and how happy we were that the turn of events were such that it was possible for you to receive Little Amon when he was released from the German prison camp. We are indeed very happy that you can have him back safely and apparently in good health, although I am sure he has suffered a great deal. While you may not hear from all your friends and acquaintances, I have heard many people express the opinion that they were very thankful you could have your son returned.

I plan to be in Fort Worth before too many weeks and hope it will be possible to see you at that time.

With kindest personal regards, I am

Sincerely yours,
