Mr. Amon Carter
STAR TELEGRAM
Fort Worth, Texas

Dear Mr. Carter:

When it was reported that your son was missing in Europe, I wrote you to express my concern and the hope that Providence would protect him and bring him back to you.

I rejoice in the information that has come that he is safe, that you and he have met, and that he is now in this country. Your many friends rejoice with you that this blessing has come to you in the safety of your son. I pray God's continued blessings upon you and him.

Cordially yours,

William W. Barnes
