Dr. Amon G. Carter
The Fort Worth Star Telegram
Fort Worth, Texas

My dear Doctor:

I have purposely awaited your return to Fort Worth before writing this letter. I felt that by so doing, you would be certain to see it.

I know there is nothing that I, or anyone else, can say to make you feel happier over the safe release and return of young Amon. Nevertheless, I want you to know that a lot of the rest of us are very happy about the whole thing--his escape from the worst of war's demands and your good fortune not being among the least.

It has been a "plumb swell" ending of a trying period and I join you in being thankful.

My best, of course, to you and young Amon.

Cordially yours,

Charlie
