

THE FIRST NATIONAL BANK OF BIRMINGHAM

BIRMINGHAM, ALABAMA - 2

OSCAR WELLS
CHAIRMAN OF THE BOARD

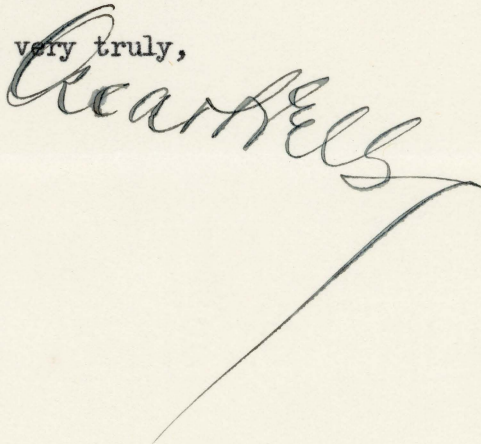

May 29, 1945

My dear Amon:

I have postponed writing you against your return from Europe because I wanted to express to you my happiness over the liberation of Amon, Jr. I saw the story in the New York Times about three weeks ago and I also read in a subsequent issue of the same paper that you were not coming back for a little while. I can only imagine of course the relief which you feel and I have thought of you many times during the period when you were worried about him as a prisoner in the country of our enemy. The picture indicated that he was in excellent condition and I hope he will soon have recovered from any ill effects he may have had because of his confinement as a prisoner.

With very best wishes, I am

Yours very truly,

Mr. Amon G. Carter,

Fort Worth, Texas
