Dear Amon Carter,

"The Hired Hand" about a month ago sent me a wonderful box of pecans from Shady Oak Farm. Mrs. Cowles, my children, and I greatly enjoyed them, and we considered it most thoughtful of you to send them.

I was tremendously delighted when I read that you had found your son uninjured and well in a German prison camp. I was terribly worried something might have happened.

I hope things are all going well with you and the Fort Worth papers.

Sincerely yours

Mike Cowles
