

June 8, 1945.

Lt. Henry L. Pritchett, Jr.  
3424 Princeton Avenue,  
Dallas 5, Texas.

Dear Lt. Pritchett:

Your letter of June 1 as well as the peace offering have been received and you have no idea how much I appreciated both. Truly, I thoroughly understand how limited your time is and how many things you want to crowd into that time and did not expect to hear from you. You were generous to give me as much time as you did and I thoroughly enjoyed being with you and Mrs. Pritchett.

Amon has been home since Saturday and there is no use to try to tell you what that means to us. He looks marvelous, has gained 22 pounds and we are bursting with joy to have him home again. He is having his dental work attended to and will soon have a physical check-up. He, of course, is quite nervous, but maybe rest and food will take care of that.

Amon will be here for several weeks and if you are over this way, I know he as well as we would be happy to have you and Mrs. Pritchett pay us a visit, so be sure and get in touch with us.

Again, thanking you for the candy which I am thoroughly enjoying and with best wishes, I am

Yours very truly,

Secy. to A. C. Carter.
